Chapter 2 - 3368 Illness and Onset

Although the information in this field is propagated, you can update it here. However, updating the information here will not update MCS or MSSICS. If you change this field in EDCS, it will not be repropagated from the mainframe at the time of transfer. This means when you transfer the case, this field remains as you enter it, even if it does not mirror the mainframe.

Chapter 2 - 3368 Illness and Onset

The question, **Did you work at any time after the date your illnesses, injuries, or conditions first interfered with your ability to work?** Is followed by 3 radio buttons labeled **Yes**, **No**, and **Not Yet Answered**. If you select **Yes**, the check boxes in the field, **Did your illnesses, injuries, or conditions cause you to:** are enabled, as shown here.

When did you most recently stop working?

Chapter 8 - 3368 Vocational Rehabilitation

When you have finished entering all necessary information, you select the **OK** button to save the vocational rehabilitation source to the case and return to the **3368 Vocational Rehabilitation** page. The source we just added appears in the **Vocational Rehabilitation** summary list box, as shown on the following graphic.

You have completed Chapter 8. Chapter 9 will cover the 3368 Remarks page.

Have you participated, or are you participating in:

- an individual work plan with an employment network under the Ticket to Work Program;
- an individualized plan for employment with a vocational rehabilitation agency or any other organization;
- a Plan to Achieve Self-Support;
- an individualized education program through an educational institution (if a student age 18-21); or
- any program providing vocational rehabilitation, employment services, or other support services to help you go to work?
