NOTE to Interviewer: Review the TANF and/or Combined Application prior to the interview to review the type of homeless data or risk factors for homelessness collected on the application. Also note the date when Abt obtained the application to confirm that it is the most recent version.

Introduction: My name is _____ and I work for a private, independent research firm called Abt Associates. The office of the Assistant Secretary for Planning and Evaluation at the Department of Health and Human Services is sponsoring this study. The purpose of the study is to conduct interviews with each state's TANF and Medicaid program staff to collect information about the type of housing status and/or homeless status data that is collected on TANF and Medicaid application forms. Someone from the Abt study team contacted you in October or November 2006 to obtain a copy of your TANF and/or combined application. Today I'd like to ask some more detailed questions about your applications and the information you collect from program applicants about whether they are homeless and their housing status in general. Neither the study nor this interview is being used to monitor program performance in any way. The information you provide will only be used for the purposes of this study.

A. Confirmation that application on hand is current

1. We collected a TANF application from you (online/via email/copy sent to us) in October 2006. Is that application still in use?

___ Yes

___ No → When was the application updated? [ENTER DATE]. Could you please fax me a copy of the application that is now in use or direct me to a copy on your website? What has changed on the application from the version we collected in October 2006? [ENTER WEB ADDRESS—INTERVIEWER: INTERVIEW CAN CONTINUE IF CHANGES TO THE APPLICATION DO NOT INVOLVE QUESTIONS REGARDING HOMELESSNESS. INTERVIEW SHOULD BE SUSPENDED AND RESCHEDULED IF CHANGES REGARDING HOMELESSNESS HAVE BEEN MADE TO THE APPLICATION.]

2. [IF WE IDENTIFIED A COMBINED APPLICATION] We collected a Combined benefit application from you (online/via email/copy sent to us) at the same time. Is that application still in use?

___ Yes

___ No → When was the application updated? [ENTER DATE]. Could you please fax me a copy of the application that is now in use or direct me to a copy on your website? What has changed on the application from the version we collected in October 2006? [ENTER WEB ADDRESS—INTERVIEWER: INTERVIEW CAN CONTINUE IF CHANGES TO THE APPLICATION DO NOT INVOLVE QUESTIONS REGARDING HOMELESSNESS. INTERVIEW SHOULD BE SUSPENDED AND RESCHEDULED IF CHANGES REGARDING HOMELESSNESS HAVE BEEN MADE TO THE APPLICATION.]

3. [IF WE DIDN'T IDENTIFY A COMBINED APPLICATION] As we collected application forms from other states, we learned that many states use a combined application covering several programs, either in addition to or in place of a separate TANF application. Does your state use a combined application for the TANF program?

___ No (skip to Section C)

___ Yes

B. Clarification regarding use of combined application

4. Is the combined application used ***instead of*** a separate application for TANF or ***in addition*** to the TANF application?

___ Combined application used ***instead of*** a separate TANF application (Ask 4a)

- a. Does that mean that when a family applies for TANF assistance they complete only the combined application?

___ Yes

___ No (please explain under what circumstances the separate application is used)

___ Combined application used ***in addition to*** a separate TANF application (Ask 4b)

- b. Does that mean that when a family applies for TANF assistance they must complete both applications?

___ Yes

___ No (please explain under what circumstances the combined application is used)

___ Don't know → Is there someone else we could talk to, to find out more about how the combined application is used? [ENTER CONTACT INFORMATION].

C. Collection of Housing Status, Homeless, or Risk Factors Data

These questions are used to confirm that the correct set of questions is being asked.

The purpose of this study is to find out whether states routinely collect information about homelessness or risk factors often associated with homelessness for TANF applicants through the regular application process. Examples of items on an application that might indicate homelessness are things like living in a shelter, or having no permanent residence. Risk factors associated with homelessness include things like living with friends or relatives, having an eviction notice, or others.

5. a. What is the typical process for completing the application? Which is the *most common* way applications are completed? (CHECK ALL THAT APPLY)

___ application completed online

- ☐ application completed in-person at a TANF office
- ☐ application filled out and mailed to the TANF office
- ☐ Other (SPECIFY)
- b. Do applicants usually fill out the applications themselves without assistance, or do they receive assistance from an intake worker to complete the application? Which is the *most common* approach?
 - ☐ fill out *with* assistance
 - ☐ fill out *without* assistance
- c. Is the same application used throughout the state?
 - ☐ Yes
 - ☐ No
- d. Other than in the application form, is additional information on housing status collected at other points in the eligibility determination process? If yes, when?
 - ☐ Yes (SPECIFY)
 - ☐ No

We'd like to ask you some questions to confirm that our understanding of the types of information included on your TANF/combined application is correct and to find out more about how these data are collected and used, and reasons why your state collects this information.

[ENTER RESPONSES FOR 6-8 IN THE TABLE BELOW. REVIEW APPLICATION REVIEW DATABASE AND MARK PRELIMINARY RESPONSES FROM THE DATABASE FOR QUESTIONS 6 AND 7 IN THE TABLE BELOW.]

- 6. When we reviewed your combined benefit application, we found that you collect [READ DATA ELEMENTS FROM Q6 COLUMN] on housing status, homelessness, and homeless risk factors. Is our understanding accurate? Is it correct that you do not collect [READ REMAINING DATA ELEMENTS] on the combined application? [INTERVIEWER: IF STATE DOES NOT USE A COMBINED APPLICATION, CODE AS NOT APPLICABLE.]
- 7. We also determined that you collect [READ DATA ELEMENTS FROM Q7 COLUMN] on your separate TANF application. Is our understanding accurate? Is it correct that you do not collect [READ REMAINING DATA ELEMENTS] on the separate TANF application? [INTERVIEWER: IF STATE DOES NOT USE A SEPARATE TANF APPLICATION, CODE AS NOT APPLICABLE]
- 8. If a combined application is used, do applicants for all programs covered by the combined application answer each item? Or are there items that are only required for some of the programs included on the combined application? Please explain. [INTERVIEWER: IF STATE DOES NOT USE A COMBINED APPLICATION, CODE AS NOT APPLICABLE]

Item on application	6. Confirmation that [READ ITEM] is included on your combined application. [Fields should be highlighted in advance based on app review. Code Yes if it is included; Code No if it is not included.]	7. Confirmation that [READ ITEM] is included on your separate TANF application.	8.
