This report is mandatory under Public Law 93-275, as amended. The timely submission of Form EIA-871F by those required to report is mandatory under Section 13(b) of the Federal Energy Administration Act of 1974 (Public Law 93-275), as amended. Failure to respond may result in criminal fines, civil penalties, and other sanctions as provided by law. Per the Paperwork Reduction Act of 1995, you are not required to respond to any Federally-sponsored collection of information unless it displays a valid OMB Approval Number. The valid OMB Approval Number for this information collection (1905-0145) is displayed at the lower left hand corner of this page. Title 18 U.S.C. 1001 makes it a criminal offense for any person knowingly and willingly to make to any Agency or Department of the United States any false, fictitious, or fraudulent statements as to any matter within its jurisdiction.

Confidentiality: Under the Confidential Information Protection and Statistical Efficiency Act of 2002 (P.L. 107-347) any information collected that will permit identification of respondents or their buildings will be confidential and used only for statistical purposes. Data that can be identified with individual respondents will not be publicly disclosed or released.

Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time of reviewing instructions, searching existing data records, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Energy Information Administration, Statistics and Methods Group, EI-70, Washington, DC 20585-0670, and to the Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503.

Building Fuel Oil Usage

1. Questions 2 through 6 ask for the total deliveries and costs for fuel oil delivered to the building identified on the mailing label on the front page of this questionnaire, as well as the reporting period for the information.

If it is easier for you to report separate deliveries, you may use the Worksheet on page 4 to list all deliveries, otherwise go to Question 2 to enter total figures.

2. Enter the total amount of fuel oil delivered to the building identified in the label on the front page of this questionnaire during the period from December 1, 2006 through January 31, 2008.

The total to be reported is the sum of the individual deliveries of fuel oil to all separately billed customers in the building during the period from December 1, 2006, through January 31, 2008.

The total should include:
 --former customers who were in the building during the reporting period, and
 --all customers or accounts in the building, whether commercial or noncommercial.

Gallons

3. Enter the type of fuel delivered to this building. (Check one)

If more than one type of fuel was delivered, indicate the type of fuel delivered to most of the customers in the building most of the time.

Fuel oil includes distillate (#1, #2, and #4 fuel oil) and residual (#5 and #6 fuel oil).
 Diesel includes #1 and #2 diesel oils.
