

Worksheet #2:

Energy Amounts Used and Dollars Spent (Mall Establishments)

Commercial Buildings Energy Consumption Survey
Sponsored by the U.S. Energy Information Administration
Conducted by NORC

Instructions For electricity and natural gas, if used in this establishment, provide the following: • Account number: If energy source is not used, write NA in box. • Month: In column A , specify the months that electricity and/or natural gas were used for 2007. Ideally this will be January, 2007 through December, 2007. Otherwise provide the most recent 12 months available. • Amount of energy used: In column B , specify the amount of energy used in each month, across all of the establishment's accounts for which you are responsible, for 2007. • Cost of energy per month: In column C , specify the dollar amount billed, across all of the establishment's accounts for which you are responsible, for the 2007 twelve months/billing cycles. Include state and local taxes, fuel adjustment charges, demand charges, and distribution charges. Exclude merchandise, repair charges, and service charges (hookup or disconnect fees, late payment charges). • Total: In line D , provide totals for columns B and C , across all of the establishment's accounts, for the twelve months. Some establishments have several accounts for each energy source—include all of them in the energy total.	Box 1.
