

NASA Exploration Systems Mission Directorate (NASA-ESMD) Space Grant Internship Program

2007 Applicant Information Form
 Deadline: November 15, 2006 (For Spring Internships)
 February 16, 2007 (For All Other Internships)

Internship Eligibility

- Must be U.S. Citizen to participate. Proof of citizenship will be required if selected.
- Age 18 or older
- Community college, undergraduate and graduate students are eligible to apply
- Minimum of 30 credit hours/45 quarter hours completed
- Minimum GPA of 3.0/4.0
- Enrolled full-time in an accredited U.S. university, college, or community college.

Note: You may save your application and for subsequent data entry you will be provided a reentry pass code. When you have completed the application, print a copy and follow the remaining procedures listed at the end of the application for final submission. All fields are required except where indicated.

I. General Data

First Name: _____
 Middle Initial (Optional): _____
 Last Name: _____
 Social Security Number: _____ (last four digits only)
 Email: _____
 Confirm Email: _____
 Birth Date: _____
 (mm/dd/yyyy)
 Gender: Male Female
 Cell Phone: _____
 Emergency Contact Name: _____
 Emergency Contact Phone: _____
 U.S. Citizen: Yes No
 Current Address:
 Address 1: _____

Address 2 (Optional):

City:

State:

Zip Code:

Telephone:

Current Address Valid Until:

Jan 2006 OR Indefinitely

Permanent Address:

Address 1:

Address 2 (Optional):

City:

State:

Zip Code:

Telephone:

Current Academic Level:

Community College Undergraduate Graduate

Full Name of Institution:

Public/Private:

Public Private

City:

State:

Have you earned credits at any other colleges or universities? Specify:

No Yes

Note: If you answered yes, transcripts must be provided from each institution as part of your application package for consideration

Status as of January 2007:

Sophomore Senior Junior Graduate

As of January 2007, how many total credit hours will you have earned?

Are you a full time student?

Yes No

semester hours

quarter hours

Anticipated graduation date:

Jan 2006

Cumulative GPA:

/ on a scale of (3.0 or 4.0 or other)

Explain, if other:

Current academic major or demonstrated coursework concentration in engineering, mathematics, computer science or physical/life sciences is a requirement.

Major(s):

Engineering

- Aerospace/Aeronautical/Astronautical
- Chemical
- Civil/Environmental Health
- Electrical/Electronic/Computer
- Engineering Physics
- Industrial/Manufacturing
- Materials/Metallurgical
- Mechanical/Engineering Mechanics
- Nuclear

Other, please specify:

Physical Sciences

- Astronomy/Astrophysics
- Chemistry
- Optics
- Physics

Other, please specify:

Earth/Atmospheric/Ocean Sciences

- Atmospheric Sciences
- Geography
- Geosciences
- Natural Resource Management
- Oceanography

Other, please specify:

Mathematics/Computer Science

- Mathematics/Applied Mathematics
- Computer Science

Other, please specify:

Biological Sciences

- Astrobiology
- Biology
- Biochemistry/Biophysics
- Microbiology/Bacteriology

Other, please specify:

Other Major not listed:

Minor(s):

Engineering

- Aerospace/Aeronautical/Astronautical
- Chemical
- Civil/Environmental Health
- Electrical/Electronic/Computer
- Engineering Physics
- Industrial/Manufacturing
- Materials/Metallurgical
- Mechanical/Engineering Mechanics
- Nuclear

Other, please specify: _____

Physical Sciences

- Astronomy/Astrophysics
- Chemistry
- Optics
- Physics

Other, please specify: _____

Earth/Atmospheric/Ocean Sciences

- Atmospheric Sciences
- Geography
- Geosciences
- Natural Resource Management
- Oceanography

Other, please specify: _____

Mathematics/Computer Science

- Mathematics/Applied Mathematics
- Computer Science

Other, please specify: _____

Biological Sciences

- Astrobiology
- Biology
- Biochemistry/Biophysics
- Microbiology/Bacteriology

Other, please specify: _____

Other Minor not listed: _____

Current Degree Seeking:
Explain, if other:

- B.S./B.A.
- Joint B.S./M.S.
- M.S.
- Ph.D.

Date Expected:

Jan 2004

II. NASA ESMD Space Grant Internship Opportunities

Select no more than three (3) codes to indicate which internship position(s) you are applying for. If you select more than three codes, your application will be ineligible and you will not be considered for any internship positions. For description of these codes and other constraints associated with these internship opportunities, please refer to: <http://www.vsgc.odu.edu/esmd>

ARC1-00107AN
 ARC2-00207AN
 ARC1-00307AN
 ARC1-00407AN
 ARC1-00507AN
 ARC1-00607AN

To select multiple codes, select the first code, and then hold down the CONTROL key while clicking on any other code.

Timeframe of availability for the
Internship

(mm/dd/yyyy)

To

(mm/dd/yyyy)

III. Additional Information

Describe any related activities that demonstrate your interest/commitment to your chosen discipline. (e.g., memberships in related organizations, hobbies, special skills, honors, awards). Please list and describe your previous participation in any NASA sponsored programs (e.g., internships, research programs, scholarships/fellowships, job shadowing, workshops).

Please limit your description to not more than 2000 words

Describe any other experiences you think would enhance your application. (e.g., internships, camps, workshops, relevant work history).

Please limit your description to not more than 2000 words

What do you hope to gain from participating in the NASA–ESMD Space Grant Internship Program and how might the research experience help you in your chosen discipline/future career?

Please limit your description to not more than 2000 words

List your relevant coursework that would enhance your research experience.

Please limit your description to not more than 2000 words

List computer hardware and software capability:

Please limit your description to not more than 2000 words

Where did you hear about the NASA-ESMD Space Grant Internship Program?

Please limit your description to not more than 2000 words

IV. Certification

When the application is complete and ready for transmission, please print a copy before submitting it. A signed copy of this certification is required (see below).

I certify that I am a citizen of the United States and that all information contained in this NASA-ESMD Space Grant Internship Program application package is accurate.

Signature

Date

Application Requirements

1) **Electronic submission of application form is required.**

2) One complete copy of the entire application package must be mailed to:

Virginia Space Grant Consortium

Attention: ESMD Coordinator
Old Dominion University Peninsula Center
600 Butler Farm Road, Suite 200
Hampton, VA 23666

The following items MUST be included in your application package:

- *One printed copy of the application you submitted on-line, including the certification section.
- *One copy each of two letters of reference on letterhead
 - One must be from a faculty member; the second may be from a faculty member or employer.
 - Letters can be unsealed or sealed. and appropriate copies made; or if your reference wishes the recommendation can be sealed.
- *One copy of official or unofficial school transcript listing grades through fall semester of Summer 2006 for spring positions. Include transcripts from each college or university attended. An official transcript will be required prior to final placement.

No late applications or partial packages will be accepted. **No faxed materials will be accepted (no exceptions).**

APPLICATIONS MUST BE RECEIVED BY NOVEMBER 15, 2006 (FOR SPRING INTERNSHIPS) AND FEBRUARY 16, 2007 (FOR ALL OTHER INTERNSHIPS). A courier service with return receipt option should be used to mail your application package.

We will not be able to accept queries regarding the status of individual applications. You will be notified if you are selected. We anticipate completion of selections and notification of all applicants by December 2006 for Spring internships, and April 2007 for summer and fall internships.

Use the save feature when subsequent data entry is required prior to submission.

Note: *You will not be able to make changes in the document once it has been submitted; however, you will be able to access the application for printing.*

Save for later submission Final submission
