

When the Board votes on SBA loan approval or servicing actions, at least one Board Member with commercial loan experience acceptable to SBA, other than the CDC manager, must be present and vote. There must be no actual or apparent conflict of interest with respect to any actions of the Board.

(a) The Board may establish a Loan Committee of non-Board Members that reports to the Board. Loan Committee members must include at least one member with commercial lending experience acceptable to SBA. All members of the Loan Committee must live or work in the Area of Operations of the State where the 504 project they are voting on is located unless the project falls under one of the exceptions listed in Sec. 120.839, Case-by-case extensions. No CDC staff may serve on a Loan Committee. A quorum must have at least five committee members authorized to vote. The CDC's Board must ratify the actions of any Loan Committee. There must be no actual or apparent conflict of interest with respect to any actions of the Loan Committee.

(b) If a CDC is incorporated in one State and is approved as a Multi-State CDC to operate in another State, the CDC must have a Loan Committee for each State.

§ 120.824 Professional management and staff.

A CDC must have full-time professional management, including an Executive Director (or the equivalent) managing daily operations. It must also have a full-time professional staff qualified by training and experience to market the 504 Program, package and process loan applications, close loans, service, and, if authorized by SBA, liquidate the loan portfolio, and sustain a sufficient level of service and activity in the Area of Operations. CDCs may obtain, under written contract, management, marketing, packaging, processing, closing, servicing or liquidation services provided by qualified individuals and entities under the following circumstances:

(a) The CDC must have at least one salaried professional employee that is

employed directly (not a contractor or an Associate of a contractor) full-time to manage the CDC. The CDC manager must be hired by the CDC's board of directors and subject to termination only by the board. A CDC may petition SBA to waive the requirement of the manager being employed directly if:

(1) Another non-profit entity that has the economic development of the CDC's Area of Operations as one of its principal activities will contribute the management of the CDC, and the management contributed by the other entity also may work on and operate that entity's economic development programs, but must be available to small businesses interested in the 504 program and to 504 loan borrowers during regular business hours; or

(2) The CDC petitioning SBA for such waiver is rural; has insufficient loan volume to justify having management employed directly by the CDC; and has contracted with another CDC located in the same general area to provide the management.

(b) SBA must pre-approve contracts the CDC makes for managing, marketing, packaging, processing, closing, servicing, or liquidation functions. (CDCs may contract for legal and accounting services without SBA approval, except for legal services in connection with loan liquidation or litigation.)

(c) Contracts must clearly identify terms and conditions satisfactory to SBA that permit the CDC to terminate the contract prior to its expiration date on a reasonable basis.

(d) The CDC must provide copies of these contracts to SBA for review annually.

(e) If a CDC's Board believes that it is in the best interest of the CDC to contract for a management, marketing, packaging, processing, closing, servicing or liquidation function, the CDC's Board must explain its reasoning to SBA. The CDC's Board must demonstrate to SBA that:

(1) The compensation under the contract is only from the CDC, reasonable and customary for similar services in the Area of Operations, and is only for actual services performed;

(2) The full term of the contract (including options) is reasonable; and

(3) The contract does not evidence any actual or apparent conflict of interest or self-dealing on the part of any of the CDC's officers, management, and staff, including members of the Board and any Loan Committee.

(f) No contractor (under this section) or Associate of a contractor may be a voting or non-voting member of the CDC's Board.

§ 120.825 Financial ability to operate.

A CDC must be able to sustain its operations continuously, with reliable sources of funds (such as income from services rendered and contributions from government or other sponsors). Any funds generated from 503 and 504 loan activity by a CDC remaining after payment of staff and overhead expenses must be retained by the CDC as a reserve for future operations or for investment in other local economic development activity in its Area of Operations. If a CDC is operating as a Multi-State CDC, it must maintain a separate accounting for each State of all 504 fee income and expenses and provide, upon SBA's request, evidence that the funds resulting from its Multi-State CDC operations are being invested in economic development activities in each State in which they were generated.

[65 FR 42633, July 11, 2000]

§ 120.826 Basic requirements for operating a CDC.

A CDC must operate in accordance with all 504 program requirements imposed by statute, regulation, SOPs, SBA policy and procedural notices, loan authorizations, Debentures, and agreements between the CDC and SBA. In its Area of Operations, a CDC must market the 504 program, package and process 504 loan applications, close and service 504 loans, and if authorized by SBA, liquidate and litigate 504 loans. It must supply to SBA current and accurate information about all certification and operational requirements, and maintain the records and submit the reports required by SBA.

§ 120.827 Other services a CDC may provide to small businesses.

A CDC may provide a small business with assistance unrelated to the 504 loan program as long as the CDC does not make such assistance a condition of the CDC accepting from that small business an application for a 504 loan. An example of other services a CDC may provide is assisting a small business in applying for a 7(a) loan (as described in § 120.2). A CDC is subject to part 103 of this chapter when providing such assistance.

(b) A CDC's 504 loan portfolio must be diversified by business sector.

[68 FR 57981, Oct. 7, 2003]

§ 120.829 Job Opportunity average a CDC must maintain.

(a) A CDC's portfolio must maintain a minimum average of one Job Opportunity per an amount of 504 loan funding that will be specified by SBA from time to time in a FEDERAL REGISTER notice. Such Job Opportunity average remains in effect until changed by subsequent FEDERAL REGISTER publication. A CDC is permitted two years from its certification date to meet this average.

(b) A CDC must indicate in its annual report the Job Opportunities actually or estimated to be provided by each Project.

(c) If a CDC does not maintain the required average, it may retain its certification if it justifies to SBA's satisfaction its failure to do so in its annual report and shows how it intends to attain the required average.

(c) Reports of involvement in any legal proceeding;

(d) Changes in organizational status;

EXTENDING A CDC'S AREA OF OPERATIONS

§ 120.835 Application to expand an Area of Operations.

(a) *General.* A CDC that has been certified to participate in the 504 program may apply to expand its Area of Operations if it meets all requirements to be an Accredited Lender Program (ALP) CDC, as set forth in § 120.840(c), and demonstrates that it can competently fulfill its 504 program responsibilities in the proposed area.

(1) The State the CDC seeks to expand into is contiguous to the State of the CDC's incorporation;

(2) The CDC demonstrates that its membership meets the requirements in § 120.822 separately for its State of incorporation and for each additional State in which it seeks to operate as a Multi-State CDC; and

(3) The CDC has a loan committee meeting the requirements of § 120.823.

[68 FR 57981, Oct. 7, 2003]

§ 120.837 SBA decision on application for a new CDC or for an existing CDC to expand Area of Operations.

The processing District Office must solicit the comments of any other District Office in which the CDC operates or proposes to operate. The processing District Office must determine that the CDC is in compliance with SBA's regulations, policies, and performance benchmarks, including pre-approval and annual review by SBA of any management or staff contracts, and the timely submission of all annual reports. In making its recommendation on the application, the District Office may consider any information presented to it regarding the requesting CDC, the existing CDC, or CDCs that may be affected by the application, and the proposed Area of Operations.

(a) The SBA District office will submit the application, recommendation, and supporting materials within 60 days of the receipt of a complete application from the CDC to the AA/FA, who will make the final decision. The AA/FA may consider any information submitted or available related to the applicant and the application.

(b) SBA will notify the CDC of its decision in writing, and if the application is denied, the reasons for its decision.

(c) If a CDC is approved to operate as a Multi-State CDC, the CDC's ALP, PCLP, or Priority CDC authority will carry over into every additional State in which it is approved to operate as a Multi-State CDC.
