Dear Donor:

Please let us extend our sincerest appreciation for your recent marrow or peripheral blood stem cell (PBSC) donation. Your recipient, his or her family, and all of us at the National Marrow Donor Program thank you for your remarkable generosity and support.

Through your donation, you have given your time, emotional involvement and physical commitment to save a life. Your donation is part of the important effort to save more lives through successful transplants. Your gift will help many patients in the years to come.

We care about how the donation experience was for you. Please take a few minutes to complete the attached survey and help us improve our services. Your responses will be completely private.

Thank you again for your donation!

Sincerely,

Jeffrey W. Chell, M.D.
Chief Executive Officer
