

MIAMI -IRB - FINAL APPROVAL PENDING (final approval expected shortly)
SIGNED HARD COPY SENT VIA INTEROFFICE MAIL

FULL BOARD-DEFERRED TO CHAIR/DESIGNEE

September 5, 2007

Neil Schneiderman, PhD
University of Miami
Department of Behavioral Medicine Research Center, Division of
Psychology Coral Gables Campus, Locator Code: 0751

HSRO STUDY NUMBER: 20070461

STUDY TITLE: Hispanic Community Health Study

On September 4, 2007, the Medical IRB C deferred final approval of a new protocol to an IRB Chair/Designee. Final approval will not be granted until an IRB Chair/Designee reviews and approves the revisions requested below. The following is a summary of the Board's requests:

- Provide a HIPAA Compliant Form or Attachment 46 when obtaining medical records from health care providers outside of our medical center.

Please submit a copy of this letter along with requested materials to Natalie Francis, IRB Regulatory Analyst at 305-243-9925 or via email at NFrancis@med.miami.edu at the Human Subject Research Office (HSRO) in writing within 30 days.
