

HCHS/SOL Questionnaires			Content Comparison with NHANES and Other Studies	
Questionnaire - English	Code	NHANES	HCHS/SOL	Other Studies
Alcohol	ALE	n/a	None	MESA, INTERMAP & ADVANCE
Dietary Behavior	DBE	n/a	None	CARDIA
Dietary Recall		2005-2006	Dietary habits (modified)	
Economic	ECE	n/a	None	Nuestra Salud
Food Propensity Qx		2005-2006	Dietary habits (modified)	
Health Care Use	HCE	2001-2002	Health insurance	NHIS & BRFSS
Hearing Exam	HEE	2005-2006	Tinnitus, ear infection, and exposure to loud noise	Beaver Dam Studies & NHIS
Hearing History	HHE	2005-2006	Self-assessed hearing ability, hearing aid use, and noise exposure and protection (recreational)	Beaver Dam Studies & NHIS
Medical History	MHE	2005-2006	Information on respondent medical history (modified)	CARDIA
Medication Use	MUE	2005-2006	Medication and supplement use	
Neurocognitive	NEE	n/a	None	ARIC
Occupation	OCE	2005-2006	Shift work, noise exposure	
Oral Health	OHE	2001-2002, 2003-2004, 2005-2006	Dental treatment	
Personal Identifiers	IDE	n/a	None	ARIC
Personal Information	PIE	2005-2006	Marital status, country of origin	
Physical Activity	PAE	2005-2006	Vigorous and moderate activity-frequency and type (modified)	
Respiratory	RSE	2005-2006	Persistent cough and phlegm	
SF-12 - Health Status	SFE	n/a	None	COMBINE & ENRICHD
Sleep	SLE	2005-2006	Sleep habits (modified)	SHHS; Study of Osteoporotic Fractures
Social Network Index	SNE	n/a	None	ENRICHD
Sociocultural	SCE	2005-2006	Language use at home	

Tobacco Use	TBE	2005-2006	Smoking Hx and current smoking status	
Weight History	WHE	2005-2006	Current height and weight	WHI
Well-Being	WBE	n/a	None	Nuestra Salud & ARIC-CAROTID MRI

Studies referenced: (funded by)

ARIC – Atherosclerosis Risk in Communities Study (NHLBI, NIH)

Beaver Dam Studies – (National Eye Institute, NIH)

BRFSS – Behavioral Risk Factor Surveillance System (Centers for Disease Control)

CARDIA – Coronary Artery Risk Development (NHLBI, NIH)

COMBINE – Combined Pharmacotherapies and Behavioral Interventions for Alcohol Dependence (NIAAA, NIH)

ENRICH – Enhancing Recovery in Coronary Heart Disease (NHLBI, NIH)

MESA – Multi-Ethnic Study of Atherosclerosis (NHLBI, NIH)

Osteoporotic Fractures Study – NIAMS, NIH

NHIS – National Health Interview Survey (Centers for Disease Control)

Nuestra Salud – (NHLBI, NIH)

SHHS – Sleep Heart Health Study (NHLBI, NIH)
