COMMITTEE ON CLINICAL INVESTIGATIONS
 (INSTITUTIONAL REVIEW BOARD)

9/10/2007

Sylvia Wassertheil-Smoller, Ph.D.
 Department of Epidemiology & Pop Health
 Re: CCI #: 2007-432 FWA #: 00000140 MMC #: 07-08-291C
 Title: Hispanic Community Health Study: SOL (Study of Latinos)

Dear Dr. Wassertheil-Smoller,

The above titled research project and Individual's consent received expedited review (Category 4) by the Committee on Clinical Investigations and was approved for the period 9/10/2007 through 9/8/2008 with the following stipulations:

- Use only IRB stamped approved copies of the consent form in your research. Do not use expired consent forms.
- A fully translated foreign language informed consent document must be approved by the CCI prior to enrolling non-English speaking participants.

The HIPAA Authorization Waiver was acknowledged.

APPROVAL IS FOR 365 DAYS ONLY. RE-CERTIFICATION OF THE STUDY MAY BE APPROVED BY THE CCI SUBSEQUENT TO RE-REVIEW OF THE PROTOCOL AND THE PROGRESS REPORT.

Adverse events must be reported to the Committee in compliance with CCI policy found at http://www.aecom.yu.edu/home/cci/internal_adverse_event.htm and http://www.aecom.yu.edu/home/cci/external_adverse_event.htm. Changes to the protocol/consent require review and approval by the CCI prior to implementation, except where the changes are necessary to eliminate apparent immediate harm to participants. Refer to the Amendment Policy at <http://www.aecom.yu.edu/home/cci/amendments.htm>.

A copy of this letter, approved protocol and informed consent have been forwarded to the MMC IRB, the secondary IRB.

Should you have any questions regarding this approval, contact the Assistant CCI Administrator at 430-2237.

Sincerely,

Chester M. Edelmann, Jr., M.D.
 Chairman, Committee on Clinical Investigations
