

## Response to Terms of Clearance

### OMB's Terms from 2004 Approval:

This information request is approved with the following terms of clearance. Prior to submission of the next extension or revision, the agency will post the CMS-116 form on its website in a format that can be completed and printed from the website.

### Response to Terms:

The CMS-116 form is now available on the Internet so that the applicant can more easily download and complete the form.
