Privacy Act/Paperwork Reduction Act Notice

Section 202(d) of the Social Security Act and regulations 20 CFR 404.703 and 20 CFR 404.705 authorize us to ask you to complete this report because you receive benefits for a child under age 18. The child may continue to be entitled to benefits as long as he/she is unmarried. We must ask you to complete this report on behalf of the child when he/she receives Social Security benefits. Giving us the information on this report is mandatory.

Sometimes the law requires us to give out the facts on this report without your consent. We may release this information to another person or government agency if Federal law requires that we do so or to do the research and the audits needed to administer or improve our program.

We may also use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, State, or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it.

These and other reasons why information about the child may be used or given out are explained in the *Federal Register*. If you want to learn more about this, contact any Social Security office.

This information collection meets the clearance requirements of 44 U.S.C. §3507, as amended by section 2 of the **Paperwork Reduction Act of 1995**. You are not required to answer these questions unless we display a valid Office of Management and Budget control number. We estimate that it will take you about 3 minutes to read the instructions, gather the necessary facts and answer the questions.
