Community Policing Capacity

OMB Examiner Note: These questions should be asked of all FY 2007 and later grantees that are not community policing development activity grants (grouping all grant numbers together by applicable program types). For example, if a grantee had both a Meth grant and a few Technology grants, these questions would be repeated once for each grant program. In the below example, the grantee would be required to answer the questions once for the Group I Technology grants and once for the Group II Meth grant. Therefore, if a grantee has multiple grants for the same grant program (i.e. three Technology grants), the grantee will only need to complete this section once.

The questions in this section refer to the grant number(s) identified below and how it may have assisted your agency. You will be asked the same questions for each separate program grouping that may contain multiple grant numbers. For example, if you have three Technology grants in Group I and one Meth grant in Group II, you are required to answer the questions once for the combined three Technology grants in Group I and once for the Meth grant in Group II.

Example:

Group I

Grant Program	Grant #	Award Amount
Technology	2007CKWX0123	\$125,000
	2007CKWX0124	\$ 50,000
	2007CKWX0125	\$ 45,000

Group II

Grant Program	Grant #	Award Amount
Meth	2007CKWXK0005	\$130,000
