School Connectivity Program (SCP)
Questionnaire for U.S. Teachers

Introduction:

The sponsors of the School Connectivity Program (SCP) are interested in your experiences and views on the programs, their activities, and how they might be improved. Therefore, the Office of Policy and Evaluation of the U.S. Department of State's Bureau of Educational and Cultural Affairs (ECA), which sponsors the SCP, has contracted Aguirre International, an independent research firm, to conduct an evaluation to learn about your experiences.

Please note that the U.S. Department of State sponsors multiple School Connectivity Programs (SCP) in different parts of the world. Although the programs have the same basic structure and goals, the projects differ somewhat in their implementation, terminology, and services, which may be apparent in this survey. We appreciate your assistance in this effort and the time you are giving us.

IMPORTANT NOTE: Only aggregated statistical information will be reported. No individual level data will be released by Aguirre International.

Thank you in advance for taking the time to complete this survey. We expect the completion time to be approximately twenty-five (25) minutes. In order to verify this estimate, we will ask you at the end of the survey to record the actual completion time. Please answer each question to the best of your ability.

Thank you for your participation.

Privacy Act and Paperwork Reduction Act Statements:

The information solicited on this survey is requested pursuant to the Government Performance and Results Act of 1993 (P.L. 103-62) and the Mutual Educational and Cultural Exchange Act of 1961, as amended, also known as the Fulbright-Hays Act (22 U.S.C. 2451, et seq.). In order to ensure that the U.S. Department of State's international exchange programs meet statutory program requirements (22 U.S.C. 2460(c)), the Department's Bureau of Educational and Cultural Affairs (ECA) regularly monitors the programs, gathers data about program accomplishments, and evaluates selected ones. ECA uses the information collected to inform program design, management, and funding. All personal information that is collected through surveys is considered confidential. All responses are coded to ensure the confidentiality of individual responses. Data collected under this study will not be shared, sold, or used for fundraising purposes. Survey data and findings will be used only in an aggregate form for the express purposes of fulfilling the data needs of the outcome assessment. Responses to this survey are voluntary.

Public reporting burden for this collection of information is estimated to average twenty-five (25) minutes to respond to this survey, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An Agency may not conduct or sponsor, and respondents are not required to respond to, a collection of information unless it displays a valid OMB control number. Please send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to: A/RPS/DIR, U.S. Department of State, Washington, D.C. 20520.
