

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:

1. A record from the system may be disclosed as a routine use to DOE contractors in performance of their contracts, and their officers and employees who have a need for the record in the performance of their duties. Those provided information under this routine use are subject to the same limitations applicable to DOE officers and employees under the Privacy Act.

2. A record from this system may be disclosed as a routine use when (1) It is suspected or confirmed that the security or confidentiality of information in the system of records has been compromised; (2) the Department has determined that as a result of the suspected or confirmed compromise there is a risk of harm to economic or property interests, identity theft or fraud, or harm to the security integrity of this system or other systems or programs (whether maintained by the Department or another agency or entity) that rely upon the compromised information; and (3) the disclosure is made to such agencies, entities, and persons who are reasonably necessary to assist in connection with the Department's efforts to respond to the suspected or confirmed compromise and prevent, minimize, or remedy such harm.

3. A record from the system may be disclosed as a routine use for the purpose of an investigation, settlement of claims, or the preparation and conduct of litigation to a (1) Person representing the Department in the investigation, settlement or litigation, and to individuals assisting in such representation; (2) others involved in the investigation, settlement, and litigation, and their representatives and individuals assisting those representatives; and (3) witness, potential witness, or their representatives and assistants, and any other person who possesses information pertaining to the matter, when it is necessary to obtain information or testimony relevant to the matter.

POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING, AND DISPOSING OF RECORDS IN THE SYSTEM:**STORAGE:**

Records may be stored as paper records and electronic media.

RETRIEVABILITY:

Records may be retrieved by name of the individual.

SAFEGUARDS:

Paper records are maintained in a secure area and are locked in cabinets and desks. Electronic records are controlled through established DOE computer center procedures (personnel screening and physical security). Passwords are protected. Access is limited to those whose official duties require access to the records.

RETENTION AND DISPOSAL:

Records retention and disposal authorities are contained in the National Archives and Records Administration (NARA) General Records Schedule and DOE record schedules that have been approved by NARA.

SYSTEM MANAGER(S) AND ADDRESS:

Headquarters, Deputy Administrator for Defense Nuclear Nonproliferation in the National Nuclear Security Administration, U.S. Department of Energy, 1000 Independence Avenue, SW., Washington, DC 20585.

NOTIFICATION PROCEDURES:

In accordance with the DOE regulation, implementing the Privacy Act, in Title 10, Code of Federal Regulations, Part 1008.6, any individual may request whether a system of records maintained by DOE contains records about him/her and request access to those records. The request should be directed to the Director, Headquarters Freedom of Information Act and Privacy Act Group, U.S. Department of Energy, or the Privacy Act Officer at the appropriate address identified above under "System Locations." For records maintained by a Laboratory, Area or Site Office, the request should be directed to the Privacy Act Officer at the Office that has jurisdiction over that site. The request should include the requester's complete name, time period for which records are sought, and the office location(s) where the requester believes the records are located.

RECORDS ACCESS PROCEDURES:

Same as Notification Procedures above. Records are generally kept at locations where the work is performed. In accordance with the DOE Privacy Act regulation, proper identification is required before a request is processed.

CONTESTING RECORD PROCEDURES:

Same as Notification Procedures above.

RECORD SOURCE CATEGORIES:

The subject individual.

SYSTEM EXEMPTED FROM CERTAIN PROVISIONS OF THE ACT:

None.
