Additional details (optional): which conference, organization, magazine, or other circumstances?

Which language do you prefer for SunWise materials?

- English
- Spanish

Some of my students speak English and some speak Spanish. We will contact you about SunWise materials.

How many students will you teach SunWise in a year?

Do you plan to have your SunWise students report...

- UV Index values (that they find on the Web or in a newspaper)?
- UV measurements (that they make with a UV intensity meter)?

Your students may use the EPA SunWise Web site for these UV reporting activities. To enable that, please identify classes or groups that will participate. Only one class/group is necessary, but you may enter more.
