

2133.001

FORM MA 828

U.S. Department of Transportation
Maritime Administration

VESSEL DATA
(For use in determining war risk insurance valuation)

OMB Control No. 2133-0011
Public reporting burden of this collection of information is estimated to average 95 minutes per response. Send comments regarding this burden estimate or any other aspect of this information collection to the Maritime Administration, Office of Management Services, 400 Seventh Street, S.W., Room 7301, Washington, DC 20590.

The following information is to be submitted in duplicate to the Maritime Administration in connection with (a) the application for, or (b) the binder already issued for, war risk hull insurance on the below named vessel and may be relied on by the Administration in determining the value of the vessel for total or constructive total loss purposes pursuant to 46 CFR Part 309 and any amendments thereof published in the Federal Register prior to the date this form is filed with the Maritime Administration.

1. Name of vessel		2. Official No.	
3. Name of owner		4. Address of owner	
5. Flag of registry		6. Classification society	
7. Prior name or names of vessel, if any		8. Type	
9. Total deadweight tonnage	10. Gross tonnage	11. Net tonnage	
12. Speed	13. Horsepower	14. Type of propulsion	
15. Construction cost			
16. Date purchased by owner		17. Purchase price paid by owner	

18a. Describe any special equipment coming under 46 CFR Part 309.6(b). Give dates of installation, itemized actual costs, and state by whom work was done.

No War Risk Hull Interim Binder will be issued, renewed, or extended unless this form has been completed (46 U.S.C. 1289; 46 CFR Sections 308.3 and 309.8).

18b. If rebuilt or if capital improvements, excluding special equipment listed in paragraph (18a.) were made, give dates; itemized actual costs, and state by whom work was done.

19. The vessel was built, reconstructed, reconditioned with the aid of construction subsidy under Title V of the Merchant Marine Act, 1936, as amended, or is otherwise subject to the provisions of Section 802 of said Act.

Contract dated

Contract No.

20a. If any part of the costs of the improvements listed in paragraph 18 was borne directly or indirectly by the United States, state the nature of the improvements, and the portion of the costs borne by the United States. (See 46 CFR Part 309.6(c))

20b. If the costs of any of the improvements listed in paragraph 18 were estimated at the time the vessel was purchased, and if any allowance was made in the purchase price for any of them, state the amounts of the allowances and for what they were made.

21. Give the schedule of depreciation adopted for the vessel by the Internal Revenue Service for income tax purposes.

22. Give the net book value of the vessel at the close of the latest tax year, and show in detail how it was determined, including rate of appreciation applied.

23. If the vessel is not in class, state the amount estimated to place her in class, and give the basis for such estimate, otherwise it will be assumed that the owner warrants that the vessel is in class. (See 46 CFR Part 309.6(a).)

24. If the vessel is in substandard condition for a vessel of her type and age, state in what respect, otherwise it will be assumed that the owner warrants that the vessel is up to the recognized standards for a vessel of her type and age as specified above, excepting only ordinary wear and tear which would occur in normal commercial trading notwithstanding good commercial maintenance practices.

The foregoing information is true to the best of my knowledge, information, and belief.
