This change follows the Federal Register notification regarding Ginnie Mae's Mortgage Backed Securities program dated July 2, 2007. ICR 2503-0033 was approved on September 12, 2007. The package addressed the new reporting requirements associated with the Home Equity Conversion Mortgage Backed Security program. For an issuer to participate in the program a Master Agreement for Participation Accounting must be completed, the information collection requires a HUD form number. This form has been assigned HUD number 11703-II. This will not impact the current burden statement. A burden statement, OMB control number, expiration date, and form number will be added to the form.
