
NATIONAL ARCHIVES ORDER FOR COPIES OF FEDERAL PENSION OR BOUNTY LAND WARRANT APPLICATIONS

Dear Researcher,

Before completing the form, please read all pages for ordering instructions and general information about the types of records that can be ordered with this form. Mail order photocopying service by using this form is available **ONLY** from *Old Military and Civil Records (NWCTB-Pension), Textual Archives Services Division, National Archives and Records Administration, 700 Pennsylvania Avenue NW, Washington, DC 20408-0001*. For more information, please write to us at the address above.

IMPORTANT INFORMATION ABOUT YOUR ORDER

DO NOT use this form for any request relating to military service in World War I or II, or subsequent service. Write to :
National Personnel Records Center, Military Personnel Records, 9700 Page Avenue, St. Louis, MO 63132-5100.
 For additional information about these later records, visit eVetrecs at www.archives.gov/veterans.

The success of our search depends on the completeness and accuracy of the information you provide in blocks 2-17 on this form. Often there are many files for veterans of the same or nearly the same name. If there are three or fewer files for men with the same name as the individual in whom you are interested, we will examine the relevant files and compare their contents with the information that you have provided us. If the veteran's identity seems obvious, we will furnish you a copy of the file we think is the correct one. Please note that each NATF Form 85 is handled separately. When you send more than one form at a time, you may not receive all of your replies at the same time. You will receive a postcard acknowledging receipt of your order and providing our tracking number. You can track the status of your order at *Order Online!* at the NARA website, www.archives.gov.

We can not make a file-by-file check to see if the information in the numerous files matches that provided for the veteran in whom you are interested. In such cases, we suggest that you visit the National Archives and examine the various files, or hire a professional researcher to examine the files for you. We do not maintain a list of persons who do research for a fee; however, many researchers advertise their services in genealogical periodicals, usually available in libraries.

USE NATF FORM 86 TO OBTAIN COPIES OF MILITARY SERVICE RECORDS.

INSTRUCTIONS FOR COMPLETING THIS FORM

Use a separate NATF Form 85 for each file that you request. Read the instruction sheet. You must complete blocks 2-6 or we cannot search for the file. Print your name (last, first, middle) and address in the block provided at the bottom of the form, which is your mailing label. Because of the volume of requests we receive, we are not able to write names and addresses on the form for you. We will return forms without return addresses when we are able. If the form is separated from the envelope, **we will be forced to destroy requests without return addresses**. The information must be legible. Keep a copy of the form for your records. Mail the original copy of the form to: *Old Military and Civil Records (NWCTB-Pension), Textual Archives Services Division, National Archives and Records Administration, 700 Pennsylvania Avenue NW, Washington, DC 20408-0001*. Please allow 60 to 90 days (up to 120 days for full pension files) for processing your order. **DO NOT SEND PAYMENT WITH THIS FORM**. When we search your order, we will make photocopies of records that relate to your request. For credit card orders, we will mail the copies immediately. We accept MasterCard, VISA, American Express, and Discover credit cards. For other types of orders, we will mail the invoice with your copies. Payment is due upon receipt. Do not use this form to request certified copies of records. To request certified copies, contact us online at www.archives.gov/contact or write to *Old Military and Civil Records (NWCTB), Textual Archives Services Division, National Archives and Records Administration, 700 Pennsylvania Avenue NW, Washington, DC 20408-0001*.

TYPES OF RECORDS THAT CAN BE ORDERED WITH THIS FORM

FEDERAL PENSION APPLICATION FILES

Full Pension Application File - Civil War (1860) and Later, (\$75 up to 100 pages + \$.65 per additional page); Pre Civil War (\$50): Pension application files generally are most useful to those who are doing genealogical research and contain the most complete information regarding a soldier's military career. We suggest that you first request copies of a soldier's pension file. You should request copies of a bounty-land warrant file or a military record only when no pension file exists. If the veteran's service was during the Revolutionary War, bounty-land warrant applications have been consolidated with pension application papers. You can obtain both files by requesting the pension file only. Military service records rarely contain family information. Use NATF Form 86 to obtain copies of military service records.

Pension application files, based on Federal (not State or Confederate) service before World War I, usually include an official statement of the veteran's military service, as well as information of a personal nature. **Pension files for the Civil War can be very large and average more pages than pension files for other wars; the National Archives Trust Fund sets a page limit on these files. If the file requested exceeds 100 pages, the researcher will receive the first block of pages along with a quote for the remaining pages. The customer must return the quote with payment to receive the remainder of the file.** Pensions based on military service for the Confederate States of America were authorized by some Southern States but not by the Federal Government until 1959. Inquiries about State pensions should be addressed to the State archives or equivalent agency at the capital of the veteran's State of residence after the war. See the special notes below about Confederate pensions.

Pension Documents Packet (\$25): The pension documents package will contain, to the extent that these documents are present in the file, 8 documents that contain genealogical information about the pension applicant. Not all of these documents will be found in every file. The package will include any of the following items that are in the file: (1) declaration of pension, (2) declaration of widow's pension, (3) Adjutant General statements of service, (4) questionnaires completed by applicants (numbered forms), (5) "Pension Dropped" cards, (6) marriage certificates, (7) death certificates, (8) discharge certificate. We will not provide a count of the remaining pages; if you wish to obtain a full pension file after reviewing the pension documents packet, you will need to order the complete file. If the entire pension file is no more than 10 pages, we will mark the order "Complete file provided."

BOUNTY-LAND WARRANT APPLICATION FILES

Bounty-land warrant application files (\$25) are based on Federal (not State) service before 1856. Documents in a bounty-land warrant application file are similar to those in a pension application file. In addition, these files usually give the veteran's age and place of residence at the time the application was made. For a copy of the surrendered Bounty-Land Warrant, you will need to submit a request on NATF Form 84, National Archives Order for Copies of Land Entry Files.
