### 2008 PRESIDENTIAL MANAGEMENT FELLOWS APPLICATION

**Additional Duty Location Info:** Many vacancies - United States, US**MAJOR DUTIES:****MAJOR DUTIES:**[Top ▲](#)

PMF assignments may involve public policy and administration, domestic or international issues, information technology, human resources, engineering, health and medical sciences, law, financial management, and many other fields in support of public service programs. During the two-year fellowship, Fellows experience a myriad of challenging career opportunities, many of which vary greatly by agency.

## PMF Appointments

All applicants must be nominated by their school, and then nominees will be invited to an assessment location to determine if they will become PMF finalists. Nominees that do become finalists are then eligible to seek appointments with agencies as Fellows. Finalists may be appointed to an agency PMF position only after official announcement of their selection as finalists. Fellows can begin working at a Federal Agency after (1) completion of all graduate degree requirements (not necessarily to have graduated), including successful completion of any thesis or dissertation from a qualifying college or university, and (2) completion of any background investigation. Finalists must secure a PMF appointment and begin working at an agency within twelve months of the official announcement of their selection as a finalist. For example, if finalists are named on March 19, 2007, then each finalist has until March 19, 2008, to be appointed as a Fellow.

Federal agencies appoint Fellows to an excepted service position under a Schedule A hiring authority. Agencies may make initial appointments of Fellows at the GS-9, GS-11, or GS-12 level (or their equivalents), depending on the candidate's qualifications. All finalists are minimally qualified at the GS-09 grade level (the minimum starting grade). Applicants selected as finalists may be hired at a higher grade dependent on the hiring agency's positions and qualifications. This is agency-specific and the PMF Program Office does not rate applicants beyond the GS-09 grade level. During the two-year appointment, agencies have the flexibility to promote Fellows up to the GS-13 level (or its equivalent) based on the agency's established policies and criteria for the promotion of Fellows, the requirements of the position, and the qualifications and performance of the Fellow.

### 2008 PRESIDENTIAL MANAGEMENT FELLOWS APPLICATION

#### QUALIFICATIONS REQUIRED:

##### Who is eligible to apply?

To be eligible to apply for the PMF Class of 2008, applicants must complete the graduate degree requirements for a master's, law, or doctoral-level degree from an accredited college or university between September 1, 2007 and August 31, 2008. (To determine if your college or university is accredited, see the U.S. Department of Education's website on accreditation at <http://www.ope.ed.gov/accreditation>.) Applicants must also successfully defend and/or complete any required thesis or dissertation by August 31, 2008.

**Foreign Education:** Education completed outside of the United States must be deemed equivalent to that gained in conventional/accredited U.S. educational programs to be acceptable for Federal employment. Therefore, students applying from non-U.S. institutions must review the section on "Education Completed Outside of the United States" in the "How to Apply" section of the PMF website (<https://www.pmf.opm.gov/>), which provides instructions for documenting foreign education.

**Previous Applicants:** Students who have previously applied to the PMF Program must contact the PMF Program Office at [pmfapplication@opm.gov](mailto:pmfapplication@opm.gov) before applying. Generally, applicants are permitted to apply and participate in the PMF nomination and selection process only once per graduate degree. Generally, if you have previously applied and did not withdraw before completing the assessment process, then you are ineligible to apply again.

**Citizenship:** Opportunities for PMF appointments for non-United States citizens are extremely limited. Further, if a non-United States citizen is appointed as a PMF by a Federal Agency and does not possess full United States citizenship at the conclusion of the two-year PMF fellowship, by law, the non-United States citizen cannot be converted to permanent career or career-conditional employment, or be retained by the employing agency.

### **Who is eligible to be nominated?**

Students must be nominated by their accredited school's Dean, Chairperson, or Academic Program Director, otherwise known as the Nomination Official, of their graduate program in order to be considered for the PMF Program. To find out who your nominating official is, contact your Dean's Office or Career Services Office. Program information for academia can be found under the "How to Apply" section on the PMF website.

Graduate students who are eligible to apply to the PMF Program may be nominated by their schools if they demonstrate the following:

- breadth and quality of accomplishments,
- capacity for leadership, and
- a commitment to excellence in the leadership and management of public policies and programs.

A qualifying college or university is an academic institution that meets the requirements as stated in the "General Policies and Instructions" section of OPM's "Operating Manual: Qualification Standards for General Schedule Positions," under "Educational and Training Provisions or Requirements." The Operating Manual is available on OPM's Web site at <http://www.opm.gov/qualifications>. Generally, the institution must be accredited by an accrediting body recognized by the Secretary of the U.S. Department of Education or must have acquired "pre-accreditation" or "candidate for accreditation status" that is recognized by the Secretary of the U.S. Department of Education.

### **PMF Class of 2008 Nomination Process**

Nomination Officials must fax the nomination forms of the students they wish to nominate via fax by 11:59:59 p.m. (Eastern Time), Wednesday, October 31, 2007. Students should check with their school's Nomination Official to ensure compliance with the school's nomination process and deadlines. See the "How To Apply" tab of this Announcement for more information about how students attain their personalized PMF Nomination Form (OPM Form 1300).

## How will Nominees be assessed?

The U.S. Office of Personnel Management (OPM) administers a rigorous assessment process during which candidates are evaluated based on critical competencies. The following selection criteria are used in the PMF assessment process:

- Analytical Problem Solving
- Selected OPM Leadership Competencies
- Written Communication

Nominated applicants will be invited to participate in a one-day assessment during January/February 2008 at the assessment site of their choice. Nominees will complete an objectively scored assessment that focuses on the areas listed above. Based on their scores, and any veterans' preference adjudication, nominees are ranked and notified of their selection as finalists in late February 2008.

## HOW YOU WILL BE EVALUATED: Veterans' Preference

[Top](#) ▲

To be awarded Veterans' Preference during the assessment process, a veteran must meet the eligibility requirements in section 2108 of title 5, United States Code. To find out whether you qualify for veterans' preference, visit [www.dol.gov/elaws/vetspref.htm](http://www.dol.gov/elaws/vetspref.htm) (the U.S Department of Labor's Veterans' Preference Advisor) or more information on how Veterans' Preference is applied in the PMF Program, review the "How to Apply" section on the PMF website.

### 2008 PRESIDENTIAL MANAGEMENT FELLOWS APPLICATION

#### **BENEFITS:**

##### **Benefits**

As employees of the Federal Government, Presidential Management Fellows (PMFs) earn annual leave and sick leave, and paid Federal holidays. PMFs are covered under the Federal Employees Retirement System (FERS). Upon appointment, PMFs may elect life insurance, health insurance, and Thrift Savings Plan (TSP) options. Many other benefits are agency-specific benefits, such as transit subsidies, telework arrangements, alternative work schedules, etc. For additional information on these and other Federal benefits, please visit [www.opm.gov/Employment\\_and\\_Benefits](http://www.opm.gov/Employment_and_Benefits). Upon successful completion of the fellowship and non-competitive appointment to career or career-conditional employment under 5 CFR 315.708(c) he or she does not serve a probationary period and acquires competitive status immediately upon appointment. Successful completion of the Presidential Management Fellowship is regarded as completion of the probationary period. After permanent appointment, Fellows are not subject to the 90-day service rule in 5 CFR 330.501 (General restriction on movement after competitive appointment), and they do not serve the probationary period applied to Federal positions that are filled through open competition, as outlined in 5 CFR 330.501.

##### **Student Loans**

Federal agencies are authorized to repay student loans under the Federal Student Loan Repayment Program, as provided for in part 537 of title 5, Code of Federal Regulations. The amount paid by the agency is subject to the following maximum limits: (1) \$10,000 per employee per calendar year, and (2) a total of \$60,000 per employee. Presidential Management Fellows are eligible to receive student loan repayments, but these programs are *agency-specific*.

Before repaying any student loans, the agency must establish a student loan repayment plan, which is to include the designation of officials with authority to review and approve repayment benefits; situations when the loan repayment authority may be used and criteria that must be met; procedures for making loan payments; a system for selecting employees to receive repayment benefits that ensures fair and equitable treatment; requirements for service agreements; and, documentation and recordkeeping requirements.

For complete details, see <http://www.opm.gov/oca/PAY/StudentLoan> (Federal Student Loan Repayment Program). Again, this is agency-specific. You would need to ask the hiring agency if it participates in this program when interviewing for appointments as a Finalist.

### **Career Development**

Training has always been considered a fundamental part of the PMF Program. Agencies are responsible for ensuring that Fellows receive at least 80 hours of formal classroom training each year of the fellowship (for a minimum total of 160 hours). For each Fellow, the appointing agency will provide a minimum of 80 hours per year of formal classroom training that addresses the core competencies required of the occupation or functional discipline in which the Fellow will most likely be placed upon completion of the PMF Program and conversion to a full-time, permanent position.

Hiring agencies are also to provide Fellows with at least one developmental assignment of 4 to 6 months in duration in the occupation or functional discipline in which the Fellow will most likely be placed, with full-time management and/or technical responsibilities consistent with the Fellow's Individual Development Plan.

### **Equal Employment Opportunity**

The Federal Government is an equal opportunity employer. Hiring and advancement in the Federal Government are based on qualifications and performance, regardless of your race, color, marital status, religion, sex, age, national origin, disability, sexual orientation, or political affiliation. Reasonable accommodations are provided to applicants with disabilities. If you need a reasonable accommodation for any part of the application and selection process, please notify us. Decisions on granting reasonable accommodation will be made on a case-by-case basis.

**If you are a male applicant who was born after 12/31/59**, you must certify at the time of appointment that you are registered with the Selective Service System or are exempt from having to do so under Selective Service law; otherwise, you will not be eligible for appointment.

## 2008 PRESIDENTIAL MANAGEMENT FELLOWS APPLICATION

### HOW TO APPLY:

#### PMF Class of 2008 Application Process

**Important:** *Print out this Announcement to have a copy of all instructions and contact information handy as you complete the Online Application Process. Applicants are encouraged to thoroughly read and follow the overview found under the "How to Apply" section on the PMF website: <https://www.pmf.opm.gov/>, as well the instructions in this vacancy announcement.*

**Application Process:** To apply to the PMF Program's Class of 2008, eligible students must apply via this vacancy announcement and follow the steps below to apply. Applicants will be asked to submit a USAJOBS resume, complete the online Qualifications Questionnaire, print a PMF Nomination Form (OPM Form 1300) at the end of the application, and submit any supporting documentation for veterans' preference (if applicable). There are two phases in applying to the PMF Program: (1) eligible students must apply via this vacancy announcement, and (2) applicants must be formally nominated by their schools. If the applicant does not follow these instructions by the deadlines referenced, he/she will lose further consideration and the application will be incomplete.

NOTE: The PMF Nomination Form is an Adobe Acrobat .pdf file that will be pre-populated with your application data. You may need to ensure that you have the latest, free Adobe Acrobat Reader to view this form (or at least version 6.0). If the form is not pre-populated upon submission, you may print the blank form and hand write in the required data in capital letters before submission to your Nomination Official.

**Application Open Period:** The application period is Saturday, September 15, 2007, to Saturday, October 6, 2007. All applicants must submit an online questionnaire and resume by 11:59:59 p.m. (Eastern Time) on Saturday, October 6, 2007. Application Instructions and the Online Questionnaire Items are listed below. Read through this entire tab before beginning "Application Step One" to ensure you have all the information you need to complete the online questionnaire and submit your USAJOBS Resume.

## **APPLICATION STEP ONE: Online Application and Resume submission.**

To apply to the PMF Program, you **must** submit a complete application package through the online application processing system (USA Staffing™), which includes the following:

1. Your responses to the Qualifications Questionnaire, and
2. Your USAJOB resume as specified in the vacancy announcement, as well as any veterans' preference documents (if applicable).

**NOTE:** Only one (1) Qualifications Questionnaire will be accepted per applicant per vacancy announcement. If you attempt to submit more than one Qualifications Questionnaire, the USA Staffing™ system will not process the submission.

**The Application Manager online system is used to process your PMF application.** You can track your progress to a *Complete* Application Package using the My Application Package checklist and status displays in Application Manager.

**NOTE:** As previously indicated, your **complete application package** must be submitted by the closing date of this announcement.

Failure to submit a complete application package will cause your application to be rated "ineligible" and you will no longer be considered.

### **Application Manager Online System:**

**To begin** the application process, *from the USAJOBS Resume Builder*, you begin the process by clicking the **Apply Online** button near the bottom of this page. Your resume will be attached only to the Application Package you complete/submit immediately *after* you click the Apply Online button for this vacancy announcement, not to any Application Packages you may already have created in the past.

**To return to Application Manager** at any time simply log in at <https://applicationmanager.org>.

**NOTE:** Applicants are responsible for completing and submitting the Qualifications Questionnaire and any supporting documents by 11:59:59 PM Eastern Standard Time on the closing date, as explained in the Announcement Overview section. Incomplete applications will be rated as "ineligible" and those applicants will no longer be considered.

## **Instructions for faxing Veterans' Preference Documentation:**

For applicants claiming veterans' preference that did not upload documentation in electronic format, please fax in your veterans' preference documentation. NOTE: You MUST use our required cover page when faxing your documents. This cover page ensures your documents can be quickly matched with the rest of your application. To access and print a copy of the required cover page insert this URL into your browser: <http://staffing.opm.gov/pdf/usascovers.pdf>. Adobe Acrobat Reader is required to view the Fax Cover Page. Click this link to download the free reader: <http://www.adobe.com/>. A customized version that includes the Vacancy Identification Number is also available under the "Forms" section on the PMF website. The Vacancy Identification Number (MN101737), your Social Security Number, Full Name, address, phone number, and the number of pages should be written accurately and neatly on the fax cover page. If the information is inaccurate or incomplete you may not receive the appropriate veterans' preference. The fax number to submit your veterans' documents is: 1-478-757-3144. The deadline for submission of supporting documentation is the same as the nomination deadline of 11:59:59 p.m. (Eastern Time), Wednesday, October 31, 2007.

## **APPLICATION STEP TWO: Submit the Nomination Form to your School's Nomination Official**

The top portion of the form should be pre-filled in with your personal information and other information you indicated in your questionnaire. All applicants will be informed of their nomination status shortly after the nomination deadline.
