THIRD REQUEST

FROM THE CHIEF,  
COMPANY STATISTICS DIVISION  
U.S. CENSUS BUREAU

In May, we mailed your company a duplicate 2007 Information and Communication Technology Survey (ICTS) form. We have not received a response. In case you have misplaced our prior mailings, we are enclosing another duplicate form. By completing and returning this form, you will provide valuable input to our nation's system of economic statistics and help the Census Bureau to reduce the cost of further follow-up work. We remind you that Title 13 of the United States Code requires that you respond to this survey. If you recently submitted your response, we thank you and ask that you disregard this notice.

The ICTS survey can also be completed online using Census Taker, our secure interactive Internet program. To file electronically using Census Taker, go to [www.census.gov/econhelp/icts](http://www.census.gov/econhelp/icts).

If book figures are not available, we accept reasonable estimates. If you have questions, need help completing the survey, or need an extension of time for filing, please call 1-800-528-3049. If you feel this survey does not apply to your operations, or if you did not operate in 2007, please explain these facts in the "Remarks" section of the paper or electronic form and return the form to us by mail, fax (to 1-888-300-5192), or by using Census Taker.

Sincerely,

Jeffrey L. Mayer
