ELIGIBILITY SCREENER				
<i>Question Number</i>	<i>Section</i>	<i>NHBS Cycle</i>	<i>Question</i>	<i>Source for Question/Rationale for Inclusion in NHBS</i>
ES1	ELIGIBILITY SCREENER	MSM IDU HET	What is your date of birth?	<i>Conforms to OMB standards for asking about date of birth. Date of birth is used to determine eligibility. Date of birth was selected rather than age so that this variable may be used for future identification of duplicate respondents. Those under the age of consent will be considered ineligible and the screening procedures will end.</i>
ES2	ELIGIBILITY SCREENER	MSM IDU HET	During 2006, did you already complete at least part of the health survey that <i>[insert project name]</i> is conducting? It could have been here or at another location.	<i>Question developed for NHBS to ascertain previous participation, which makes a respondent ineligible.</i>
ES3	ELIGIBILITY SCREENER	MSM IDU HET	Do you consider yourself to be Hispanic or Latino?	<i>Conforms to OMB standards for collecting information on Hispanic ethnicity.</i>
ES3a	ELIGIBILITY SCREENER	MSM IDU HET	What best describes your Hispanic or Latino ancestry?	<i>Conforms to OMB standards for collection information on Hispanic ancestry.</i>
ES4	ELIGIBILITY SCREENER	MSM IDU HET	Which racial group or groups do you consider yourself to be in? You may choose more than one option.	<i>Conforms to OMB standards for collecting information on race.</i>
ES5	ELIGIBILITY SCREENER	MSM IDU HET	What county do you currently live in?	<i>Conforms to OMB classifications of Metropolitan Statistical Areas (MSA).</i>
ES5a	ELIGIBILITY SCREENER	MSM IDU HET	How long have you been living in _____ <i>[project area]</i> ?	<i>Question developed for NHBS. Because many of the NHBS survey questions ask about behaviors during the past 12 months, this variable will allow for limiting analyses to respondents who have lived in the project area that entire time. "Project area" is the MSA.</i>

<i>Question Number</i>	<i>Section</i>	<i>NHBS Cycle</i>	<i>Question</i>	<i>Source for Question/Rationale for Inclusion in NHBS</i>
<b>ES6</b>	ELIGIBILITY SCREENER	HET	What zip code do you live in?	<i>Conforms to OMB standards for collecting zip code information. This variable allows for a verification of respondent's place of residence within the MSA. For the NHBS-HET cycle, zip code information is collected in the Eligibility Screener because it determines which map the NHBS Interviewer will use to ascertain whether the respondent resides in a census tract within a High Risk Area (HRA) or within a Target HRA. For NHBS-HET, seeds who do not live in a Target HRA will be considered ineligible.</i>
<b>ES7</b>	ELIGIBILITY SCREENER	HET	Please take a look at this map. Can you point to the area where you live? (Prompt to Interviewer: Enter the census tract number.)	<i>Question and Interviewer prompt developed for NHBS. The map shown to the NHBS respondent contains information about the census tract number. The census tract number identifies HRAs and Target HRAs+EI6.</i>
<b>ES8</b>	ELIGIBILITY SCREENER	MSM	What was your sex at birth?	<i>Conforms to OMB standards for collecting information on birth sex. For the NHBS-MSM cycle, sex at birth determines eligibility in that only persons born male are eligible.</i>
<b>ES9</b>	ELIGIBILITY SCREENER	MSM IDU HET	Do you consider yourself to be male, female, or transgender?	<i>Question developed for NHBS. This is an indicator of eligibility for all NHBS cycles in that transgender persons are not eligible. Responses to this question also determine which set of questions will be asked of male and female participants.</i>
<b>ES10</b>	ELIGIBILITY SCREENER	IDU	Have you ever in your life shot up or injected any drugs other than those prescribed for you? By shooting up, I mean anytime you might have used drugs with a needle, either by mainlining, skin popping, or muscling.	<i>Adapted from the definition of drug injection in the Supplement to HIV and AIDS Surveillance Project (SHAS) questionnaire (OMB No. 0920-0262. Expiration 6/30/2004). This question is a gateway question for ES11, which determines an individual's eligibility for the NHBS-IDU cycle.</i>
<b>ES11</b>	ELIGIBILITY SCREENER	IDU	When was the last time you injected any drug? That is, how many days or months or years ago did you last inject?	<i>Question developed for NHBS in consultation with subject matter experts at CDC. This question determines eligibility for the NHBS_IDU cycle: injected drugs in past 12 months. Addresses NHBS Key Indicator II-A- 3 and II-A-4. Number of days or months or years allows exact calculation of the time since the last injection, and is easier for respondent recall than an exact month/day/year.</i>
<b>ES12</b>	ELIGIBILITY SCREENER	IDU	Which drug do you inject most often?	<i>Question developed for NHBS in consultation with subject matter experts at CDC. The type of drug can be used to confirm answers to the follow-up questions (ES13 - ES16), which provide additional information about drug preparation, method of injection, and types of syringes and needles used by the respondent.</i>

<i>Question Number</i>	<i>Section</i>	<i>NHBS Cycle</i>	<i>Question</i>	<i>Source for Question/Rationale for Inclusion in NHBS</i>
<b>ES13</b>	ELIGIBILITY SCREENER	IDU	Where on your body do you usually inject?	<i>Question developed for NHBS in consultation with subject matter experts at CDC and consultants. Physical signs of recent injection ascertain the respondent's eligibility.</i>
<b>ES14</b>	ELIGIBILITY SCREENER	IDU	Step-by-step, tell me how you prepare your drugs.	<i>Question developed for NHBS in consultation with subject matter experts at CDC and consultants. Knowledge of steps in preparation of injection drugs ascertains the respondent's eligibility.</i>
<b>ES15</b>	ELIGIBILITY SCREENER	IDU	Step-by-step, tell me how you inject your drugs.	<i>See ES14.</i>
<b>ES16</b>	ELIGIBILITY SCREENER	IDU	What type of syringe do you usually inject with?	<i>See ES14.</i>
<b>ES17</b>	ELIGIBILITY SCREENER	IDU	Have you ever used drugs that you did not inject, other than those prescribed for you?	<i>Questions Q17-Q17b developed as distracter questions for NHBS-IDU. Distracter questions are used to determine eligibility and are used when a study has eligibility criteria that respondent should not know.</i>
<b>ES17a</b>	ELIGIBILITY SCREENER	IDU	When was the last time you used any drugs that you did not inject?	<i>See ES17.</i>
<b>ES17b</b>	ELIGIBILITY SCREENER	IDU	Which drug do you use most often that you do not inject?	<i>See ES17.</i>
<b>ES18</b>	ELIGIBILITY SCREENER	HET	Have you had vaginal or anal sex with a <i>[insert "man" if respondent is female; insert "woman" if respondent is male]</i> in the past 12 months?	<i>Question developed for NHBS. For the NHBS-HET cycle, sex with a partner of the opposite sex during the past 12 months is an eligibility criteria.</i>

<i>Question Number</i>	<i>Section</i>	<i>NHBS Cycle</i>	<i>Question</i>	<i>Source for Question/Rationale for Inclusion in NHBS</i>
<b>ES19</b>	ELIGIBILITY SCREENER	MSM IDU HET	Is this person alert and able to complete the health survey in English or Spanish?	<i>Question developed for NHBS. If the respondent is not coherent (under the influence of drugs or alcohol), s/he is considered to be ineligible. Participants who cannot complete the survey in English or Spanish are considered ineligible.</i>
<b>CORE QUESTIONNAIRE</b>				
<b>N1</b>	NETWORK QUESTIONS	IDU HET	Which of the following describes how you know the person who gave you this coupon? You can choose more than one answer.	<i>Network questions (N1-N3f) were developed for NHBS in consultation with subject matter experts in RDS methodology. This question is used in RDS analysis to describe the relationship between the person who recruits people into the NHBS survey (the recruiter) and those they have recruited (the recruitees).</i>
<b>N2</b>	NETWORK QUESTIONS	IDU	How many people in <i>[insert project area]</i> do you know personally who inject?	<i>In the NHBS-IDU cycle, this question is a lead-in for QN2a, which determines the size of the network of the respondent.</i>
<b>N2a</b>	NETWORK QUESTIONS	IDU	Of the _____ <i>[insert number from N2]</i> people who live in <i>[insert project area]</i> and who you personally know inject, how many have you seen at least once in the past 30 days?	<i>In the NHBS-IDU cycle, this question establishes the number of persons in the respondent's network who inject drugs and whom the respondent has seen in the past month. The network is defined by the eligibility criteria for the study. The 30-day time period is used to enhance accuracy of recall.</i>
<b>N2b</b>	NETWORK QUESTIONS	IDU	Of the _____ <i>[insert number from N2a]</i> people who inject that you have seen in the past 30 days, how many are male?	<i>In the NHBS-IDU cycle, this question, with N2c documents the gender of the network members</i>
<b>N2c</b>	NETWORK QUESTIONS	IDU	Of the _____ <i>[insert number from N2a]</i> people who are inject that you have seen in the past 30 days, how many are female?	<i>In the NHBS-IDU cycle, this question, with N2b documents the gender of the network members</i>

<b>N2d-g</b>	NETWORK QUESTIONS	IDU	What is the race or ethnic background of the __ <i>[insert number from N2a]</i> people who inject that you have seen in the past 30 days? That is, how many were white, black, Hispanic, or another race?	<i>In the NHBS-IDU cycle, this question documents the race and Hispanic ethnicity of the network members.</i>
<b>N3</b>	NETWORK QUESTIONS	HET	Please tell me how many friends, relatives or people you are close to who are at least 18 years of age, live in <i>[insert project area]</i> , and you have seen in the past 30 days.	<i>In the NHBS-HET cycle, this question follows N1. The respondent's network size is defined by the number of people the respondent knows who would meet the eligibility criteria for the study and whom the respondent has seen in the past month. The 30-day time period is used to enhance accuracy of recall.</i>
<b>N3a</b>	NETWORK QUESTIONS	HET	Of the __ <i>[insert number from N3]</i> people that you have seen in the past 30 days, how many are male?	<i>In the NHBS-HET cycle, this question follows N3. With N3b, these questions document the gender of the network members</i>
<b>N3b</b>	NETWORK QUESTIONS	HET	Of the __ <i>[insert number from N3]</i> people that you have seen in the past 30 days, how many are female?	<i>In the NHBS-HET cycle, this question follows N3. With N3a, these questions document the gender of the network members</i>
<b>N3c-N3f</b>	NETWORK QUESTIONS	HET	What is the race or ethnic background of the __ <i>[insert number from N3]</i> people you have seen in the past 30 days? That is, how many were white, black, Hispanic, or another race? N3c. White N3d. Black N3e. Hispanic N3f. Another race	<i>In the NHBS-HET cycle, this question documents the race/ethnicity of the network members</i>

<b>1</b>	DEMOGRAPHICS	MSM IDU HET	In the past 12 months, have you been homeless at any time? By homeless, I mean you were living on the street, in a shelter, a Single Room Occupancy hotel (SRO), temporarily staying with friends or relatives, or living in a car?	<i>The definition of homelessness in this question is consistent with the definition of homelessness used by federal programs (see the McKinney-Vento Act). This question serves as a marker for Socioeconomic Status (SES).</i>
<b>1a</b>	DEMOGRAPHICS	MSM IDU HET	Are you currently homeless?	<i>See Q1.</i>
<b>2</b>	DEMOGRAPHICS	MSM IDU	What zip code do you live in?	<i>Conforms to OMB standards for collecting information on zip code. This variable allows for a verification of respondent's place of residence within the MSA. For the NHBS-HET cycle, this question is asked in the Eligibility Screener (see ES6).</i>
<b>3</b>	DEMOGRAPHICS	MSM IDU HET	Next I would like to ask you some questions about your background. What country were you born in?	<i>Conforms to OMB standards for asking about country of birth. Q3 and 3a serve as a proxy for degree of acculturation.</i>
<b>3a</b>	DEMOGRAPHICS	MSM IDU HET	What year did you first come to live in the United States?	<i>Adapted from the 2000 U.S. Census. See Q3. Marker for length of stay in U.S. among foreign-born respondents. Q3 and 3a serve as a proxy for degree of acculturation.</i>
<b>4</b>	DEMOGRAPHICS	IDU HET	What is your current marital status?	<i>Adopted from the most recent version of the National Survey for Family Growth (NSFG) Cycle 6 (OMB No. 0920-0315. Exp. Date 9/30/2003). Cycle 7 is currently under OMB review. Question provides descriptive information about NHBS-IDU and NHBS-HET respondents.</i>
<b>4a</b>	DEMOGRAPHICS	IDU HET	Is your formal marital status separated, divorced, widowed, or never been married?	<i>See Q4. This is a follow-up question for respondents who report "living together as married."</i>
<b>5</b>	DEMOGRAPHICS	MSM IDU HET	What is the highest level of education you completed?	<i>Adopted from the Medical Monitoring Project (MMP) questionnaire (OMB No. 0920-0740, expiration 06/30/2010). Level of education is a marker for SES.</i>
