

Current Notification Proficiency Test Survey

During the week of <state week of test> 2006, a test of the *Epi-X* notification system was conducted in <name of state>. To complete the test, please answer the seven questions in this survey. Click the Start Survey! button to begin.

OMB BURDEN STATEMENT. This is an Office of Management and Budget approved instrument (OMB Control # 0920-0636). Public reporting burden of this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB Control Number. Send comments regarding this burden estimate or any other aspect of this collection information, including suggestions for reducing this burden, to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS E-11, Atlanta, Georgia 30333; Attn: PRA (0920-0636).

1) How did you first receive the test message? Select one
