

**Summary of changes to COVIS form CDC 52.79 (OMB Control number 0920-0004, expiration date June 30, 2010)**

1. Enlarged the mailing address on top right hand corner of form to make sure submitters see where they need to submit the form.
2. Revised OMB number to 0920-0004 and expiration date to 06/30/2010 (previous form had OMB number 0920-0322 and expiration date 02/28/2006)
  - a. This collection of information originally had OMB number 0920-0322 with expiration date 02/28/2006. Upon expiration, this collection of information was submitted and merged with another packet (OMB 0920-0004) for approval. OMB then approved this collection of information giving it an OMB number of 0920-0004 with expiration 06/30/2010. There have been no other changes since the most recent OMB approval other than the two listed in this summary (one, enlarging the address and two, updating the OMB number and expiration date).
