This survey is voluntary, and although we do prefer that you answer all questions, omitted questions will not invalidate your input. No individually identifiable data will be published or released. There will be no way to link you to your response, unless you provide your e-mail address. Your E-mail address is needed ONLY if you wish to receive a response to a specific inquiry that you are making. E-mail addresses will not be used to link particular respondents to particular survey responses, and will not be retained after a reply is sent. Taking part in this survey means that you understand everything above and freely agree to answer the survey questions.

Public reporting burden of this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Clearance Officer, 1600 Clifton Road NE, MS E-11, Atlanta, Georgia 30333; ATTN: PRA (0923-0028)
