

Survey of Co-Occurring Disorders Integration and Innovation (CODI) Learning Communities

Substance Abuse and Mental Health Services Administration (SAMHSA)

This survey is intended to collect qualitative information about the changes in your organization associated with participation in a Co-Occurring Disorders Integration and Innovation (CODI) Learning Community. Individual responses will not be released to federal staff or individual TA providers. The results of the survey will only be presented in aggregate form so that individual responses cannot be identified.

The survey will require no more than 15 minutes to complete. Participation in the survey is entirely voluntary.

For questions regarding this survey please contact the CODI Evaluator, Dr. Steven T. Sullivan, by telephone at 301-385-6693 or by email at <u>sts@cloudburstgroup.com</u>.

For further information regarding CODI activities please go to: <u>http://www.coce.samhsa.gov/</u>

Public reporting burden for this collection of information is estimated to require 15 minutes per response if all items are answered. Send comments regarding this burden estimate or any other aspect of this collection of information to SAMHSA Reports Clearance Officer, Room 8-1099, 1 Choke Cherry Road, Rockville, MD 20857. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The control number for this project is 0930-0197.

OMB No. 0930-0197. Expiration Date: 1/31/2011

Learning Communities Technical Assistance (TA) Survey

Please complete this survey if you have participated in **one or more CODI Learning Community activities during the last 6 months.** Examples of activities include webinars, workshops, and Learning Community group meetings.

Please do **not** complete this survey if you have **not** been a part of one or more CODI Learning Community activities during the last 6 months.

The following questions ask about any changes related to participating in the CODI Learning Community over the last 6 months.

Understanding of Co-Occurring Disorders

Based on your experiences in the CODI Learning Community, did you increase your understanding of any of the following areas?

Mark all that apply.

- Prevalence of co-occurring disorders
- How to screen for co-occurring disorders
- How to integrate treatments or services for persons with co-occurring disorders
- How other agencies or organizations successfully deal with co-occurring disorders
- Other areas → Please specify: ____

Your Focus Areas

Which of the following are focus areas of your CODI Learning Community?

Mark all that apply and flip to each of the corresponding pages.

Systems and Services Integration → PLEASE FILL OUT SECTION A ON TH	Е
NEXT PAGE	

- Screening and Assessment → PLEASE FILL OUT SECTION B ON PAGE 4
- Workforce Development→ PLEASE FILL OUT SECTION C ON PAGE 5
- Implementation and Training on Evidence-Based Practices → PLEASE FILL OUT SECTION D ON PAGE 6
- Financing → PLEASE FILL OUT SECTION E ON PAGE 7
- □ Data Collection and Use → PLEASE FILL OUT SECTION F ON PAGE 8

Section A Systems and Services Integration

The next questions ask about changes in your organization's systems and services integration and COD capacity building.

A1. As a result of <u>participating in CODI activities</u> over the <u>past 6 months</u>, has your organization dedicated more total staff hours to COD in a typical month?

Yes

No → SKIP to A2

- Don't know/Not sure → SKIP to A2
- **A1a.** Please indicate the following:

Staff hours per month dedicated to COD 6 months ago:

|__|_| HOURS

Staff hours per month dedicated to COD now:

I___I HOURS

A1b. Has your organization changed staff roles or responsibilities to dedicate more time to COD in a typical month?

Yes

No

Don't know/Not sure

		Yes	Νο	Don't know/ not sure
a.	Changed leadership or steering committee memberships to bring MH/SA staff or leadership together for <u>information-</u> <u>sharing purposes</u> ?			
b.	Changed leadership or steering committee memberships to bring MH/SA staff or leadership together for <u>planning</u> <u>purposes</u> ?

f.	Created partnerships between Mental Health and Substance Abuse Treatment providers?			
g.	Changed <u>program standards</u> to support or encourage integrated services?			
h.	Changed the <u>way that services are monitored</u> to support or encourage integrated services?			

A2. As a result of <u>participating in CODI activities</u> over the <u>past 6 months</u>, has your organization...

A3. As a result of <u>participating in CODI activities</u> over the <u>past 6 months</u>, has your organization changed <u>provider contracts</u> to support or encourage integrated services?

Mark all that apply.

- Yes changed providers
- Yes changed scope or requirements
- No
- Don't know/not sure

Section B Screening and Assessment

The next questions ask about any changes in screening and assessment.

B1. As a result of <u>participating in CODI activities</u> over the <u>past 6 months</u>, has your organization increased the frequency of screening for COD (as a percentage of clients)?

Yes
No → SKIP to B2

- Don't know/not sure \rightarrow SKIP to B2
- **B1a.** If your organization increased the percentage of screenings:

What percentage of clients are screened per month now?

|____%

What was the percentage of clients screened per month as of 6 months ago?

|____%

B2. As a result of <u>participating in CODI activities</u> over the <u>past 6 months</u>, has your organization...

		Yes	No	Don't know/ Not sure
a.	Identified appropriate COD screening and assessment tools that are appropriate for your population?			
b.	Instituted policies that support regular use of COD screening?			
C.	Created or instituted protocols or policies that include use of COD screening as part of everyday practice?			

Section C Workforce Development

The next questions ask about any changes in workforce development.

C1. As a result of <u>participating in CODI activities</u> over the <u>past 6 months</u>, has your organization...

		Yes	No	Don't know/ not sure
a.	Defined COD related core competencies for organizations and providers?			
b.	Set up a certification/licensing/credentialing program for COD services?			
C.	Created policies that encourage providers and organizations to adopt COD core competencies or certifications?			
d.	Worked with local universities and colleges to raise awareness of COD and integrated approaches to the treatment of COD?			

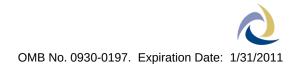

Section D Implementation and Training on Evidence-Based Practices

The next questions ask about any changes in evidence-based practices on implementation and training.

D1. As a result of <u>participating in CODI activities</u> over the <u>past 6 months</u>, has your organization...

		Yes	No	Don't know/ not sure
a.	Increased the amount of COD practitioner training?			
b.	Changed the way you conduct COD practitioner training (e.g., different topics, different materials, different instructors)?			
C.	Identified COD evidence-based practices/programs that are appropriate for your population?			
d.	Identified opportunities for your practitioners and service staff to be aware of and trained in COD services?			
e.	Provided training for clinical supervisors and practitioners to adopt and implement best practices?			

Section E Financing

The next questions ask about any changes in financing.

E1. As a result of <u>participating in CODI activities</u> over the <u>past 6 months</u>, has your organization...

		Yes	No	Don't know/ Not sure
a.	Learned how to finance screening, training, and implementation of COD programs?			
b.	Learned how to successfully apply for funding or change your funding streams?			
C.	Learned how to support regulatory and policy changes?			
d.	Used financial incentives and performance based contracting to increase support for work force development?			
e.	Increased its support for regulatory and policy changes?			

E2. Has <u>participating in CODI activities</u> over the <u>past 6 months</u>, helped your organization...

		Yes	No	Don't know/ Not sure
a.	Understand how to fund treatment through Medicare or Medicaid?			
b.	Understand how Health Care Reform affects funding for COD?			

Section F Data Collection and Use

The next questions ask about any changes in data collection or data use.

F1. As a result of <u>participating in CODI activities</u> over the <u>past 6 months</u>, has your organization changed its <u>collection</u> of data on screening and treatment of COD populations?

Mark all that apply.

Yes – Have begun collecting data

- Yes Have expanded data collection
- No, no change
- Don't know/Not sure
- F2. As a result of <u>participating in CODI activities</u> over the <u>past 6 months</u>, has your organization changed its <u>sharing</u> of data on screening and treatment of COD populations?

Mark all that apply.

Yes – Have begun sharing data

Yes – Have expanded data sharing

- No, no change
- Don't know/Not sure
- **F3.** As a result of <u>participating in CODI activities</u> over the <u>past 6 months</u>, has your organization changed the <u>use</u> of data on screening and treatment of COD populations?

Mark all that apply.

- Yes Have begun using data
- Yes Have expanded data use
- No, no change
- Don't know/Not sure

		Yes	Νο	Don't know/ Not sure
a.	Become more successful at identifying what types of data should be collected?			
b.	Become more successful at identifying <u>how to collect</u> <u>data to track success</u> for its program?			
C.	Improved its understanding and use of <u>existing</u> research and data to support implementation of a COD program?			
d.	Increased its understanding of how to share data?			
e.	Increased its understanding of fidelity to program design in conducting evaluation?			
	1. Increased its understanding of best practices in <u>client-level evaluation</u> ?			
	2. Increased its understanding of best practices in program-level evaluation?			
	3. Increased its understanding of best practices in systems-level evaluation?			
	4. Increased its understanding of best practices in <u>formative evaluation</u> ?			
	5. Increased its understanding of best practices in outcome evaluation?			

F4. As a result of <u>participating in CODI activities</u> over the <u>past 6 months</u>, has your organization...

F5. In what ways has your organization changed its monitoring and evaluation practices due to its experiences in CODI activities? [Leave open-ended; will post-code; respondents who wish to leave it blank will be allowed to.]

Closing Questions

Did you feel that you learned something from participation in the Learning Community?

CL1. Please indicate your agreement or disagreement with the following statements.

		Strongl y agree	Agre e	Neither agree nor disagree	Disagre e	Strongl y disagre e
a.	The Learning Community presented ideas that are useful to me in my current job					
b.	I would present ideas from the Learning Community to other people in my organization					
C.	I would present ideas from the Learning Community to other people in my community					

Thank you for participating in our survey!
