Purpose of Form

The SSA-54, Authorization for SSA to Disclose Tax Information for Your Appeal of Your Medicare Part B Income-Related Monthly Adjustment Premium Amount, authorizes the Social Security Administration (SSA) to disclose your tax return information received from the Internal Revenue Service (IRS) to the Office of Medicare Hearings and Appeals (OMHA) in the Department of Health and Human Services (HHS).

If you pursue appeals beyond the hearing level, OMHA will disclose this information to the Medicare Appeals Council in HHS. If you appeal to a Federal court, HHS will disclose this information to the Department of Justice. The Department of Justice may use this information in courtroom proceedings open to the public.

If you want to appeal your Medicare Part B income-related monthly adjustment amount, you must complete an SSA-54 and a Request for Hearing by Administrative Law Judge, HA-501-U5, and mail it to the address below. OMHA will not be able to review your information unless these forms are properly completed.

Privacy Act

Section 1839 [42 U.S.C. 1395r] of the Social Security Act and section 6103(c) of the Internal Revenue Code [26 U.S.C. 6103 (c)] authorize the collection of information requested on this form. Section 1839(i) of the Social Security Act provides that you may appeal the determination of your income-related monthly adjustment to your Medicare Part B premium amount. Because your monthly premium adjustment is based on tax information, section 6103 of the Internal Revenue Code requires your authorization to disclose your tax information. Accordingly, the information you provide will allow SSA to disclose your tax information to the Office of Medicare Hearings and Appeals (OMHA) to review your appeal. You are not required to provide this information, however, failure to do so will prevent OMHA from making an accurate and timely decision on your appeal.

We will provide information collected on this form to another Federal agency to assist in your appeal. The other agency, OMHA, may in turn redisclose this information to the Medicare Appeals Council and/or to a Federal court and/or to the Department of Justice if you pursue your appeal beyond HHS. We may also provide the information on this form if a Federal law requires us to do so.

The information that you are authorizing SSA to share with OMHA contains information SSA obtained from a computer matching program with IRS. The law allows SSA to obtain this information from IRS, even if you do not agree to it. However, we need your consent to authorize SSA to release the data SSA received from the IRS to OMHA.

Explanations about these and other reasons why information about you may be used or given out are available in Social Security offices.
