REGULATORY COMMISSION

SECRETARY

Re: Bridgeline Gas Distribution LLC, Docket No. CP81-497-000

Dear Secretary Bose:

Pursuant to Section 152.5 of the Commission's regulations, Bridgeline Gas Distribution LLC ("BGD") hereby notifies the Commission that its Hinshaw exemption is no longer applicable. *See* 18 C.F.R. § 152.5.

On August 2, 1982, the Commission issued a Declaration of Exemption for BGD's predecessor, Bridgeline Gas Distribution Company, stating that it "is exempt from the provisions of the Natural Gas Act, and the orders, rules and regulations of the Commission issued thereunder." *See Bridgeline Gas Distribution Co.*, 20 FERC ¶ 61,127 (1982).

On September 1st, BGD merged with and into its affiliate, Bridgeline Holdings, L.P. ("Bridgeline Holdings"). Consequently, BGD will not exist after September 1st. Bridgeline Holdings provides service pursuant to its Louisiana intrastate authority and/or its Natural Gas Policy Act Section 311 authority. Accordingly, BGD's Hinshaw exemption is no longer applicable. Bridgeline Holdings is, contemporaneously with this letter, filing new petitions for rate approval and a revised statement of operating conditions that reflect the merger of BGD with and into Bridgeline Holdings. Furthermore, Bridgeline Holdings recently received the necessary authorizations to facilitate this merger and attaches the orders from the State of Louisiana.
