

**Justification for changes to Special Use form**  
**OMB 0596-0082**

November 2007

Burden hours and costs associated with this information collection remain unchanged.

**FS-2700-10 form**

Non-substantial change to form FS-2700-10 - Eliminated requirement for certification by technical reviewer; the certification is not required nor does the Forest Service have certified technical reviewers on staff.
