

DATE: November 17, 2010  
TO: OMB Desk Officer  
FROM: SAMHSA Clearance Officer  
SUBJECT: Methodological Field Test (OMB No. 0930-0290): NSDUH Cognitive Interviews for Prescription Drug Module Redesign

The attached materials are provided in support of our request for approval of methodological field testing under SAMHSA's generic approval for "National Survey on Drug Use and Health Methodological Field Tests."

This is the fourth submission under that approval and will impose an estimated total burden of 92 hours. The remaining total burden hours in the OMB inventory for the Methodological Field Test (OMB No. 0930-0290) is 5,695. Approval is requested by November 26, 2010.

We look forward to receiving your feedback so that testing may proceed.

Summer King  
Reports Clearance Officer, SAMHSA
