BILLING NUMBER INFORMATION

The Medicare Identification Number, often referred to as a Medicare supplier number, is a generic term for any number other than the National Provider Identifier (NPI) that is used by a supplier to bill the Medicare program.

The National Provider Identifier (NPI) is the standard unique health identifier for health care providers and is assigned by the National Plan and Provider Enumeration System (NPPES). As a new Medicare DMEPOS supplier, you must obtain an NPI and submit it with this application prior to enrolling in Medicare or before submitting a change to your existing Medicare enrollment information. Applying for the NPI is a process separate from Medicare enrollment. To obtain an NPI, you may apply online at <https://NPPES.cms.hhs.gov>. For more information about NPI enumeration, visit www.cms.hhs.gov/NationalProvIdentStand.

NOTE – ONLY REPORT ORGANIZATIONS IN THIS SECTION. INDIVIDUALS MUST BE REPORTED IN SECTION 6.

Complete this section with information about all organizations that have 5 percent or more (direct or indirect) ownership interest of, any partnership interest in, and/or managing control of, the supplier identified in Section 4A, as well as any information on adverse legal actions that have been imposed against that organization. For examples of organizations that should be reported in this section, you should visit the following Web site: www.cms.hhs.gov/MedicareProviderSupEnroll. If there is more than one organization, copy and complete this section for each.

MANAGING CONTROL (ORGANIZATIONS)

Any organization that exercises operational or managerial control over the DMEPOS supplier, or conducts the day-to-day operations of the DMEPOS supplier, is a managing organization and must be reported. The organization need not have an ownership interest in the DMEPOS supplier in order to qualify as a managing organization. For instance, it could be a management services organization under contract with the DMEPOS supplier to furnish management services for this business location.

SPECIAL TYPES OF ORGANIZATIONS

Governmental/Tribal Organizations: If a Federal, State, county, city or other level of government, or an Indian tribe, will be legally and financially responsible for Medicare payments received (including any potential overpayments), the name of that government or Indian tribe should be reported as an owner. The DMEPOS supplier must submit a letter on the letterhead of the responsible government (e.g., government agency) or tribal organization that attests that the government or tribal organization will be legally and financially responsible in the event that there is any outstanding debt owed to CMS. This letter must be signed by an appointed or elected official of the government or tribal organization who has the authority to legally and financially bind the government or tribal organization to the laws, regulations, and program instructions of Medicare.

Indian Health Service Facilities: Special rules concerning insurance and licenses apply. Contact the NSC concerning these rules.

Non-Profit, Charitable and Religious Organizations: Many non-profit organizations are charitable or religious in nature, and are operated and/or managed by a Board of Trustees or other governing body. The actual name of the Board of Trustees or other governing body should be reported in this section. While the organization should be listed in Section 5, individual board members should be listed in Section 6. Each non-profit organization should submit a copy of a 501(c)(3) document verifying its non-profit status.

All organizations that have any of the following must be reported:

- 5 percent or more ownership of the DMEPOS supplier,

Owning/Managing organizations are generally one of the following types:

- Corporations (including non-profit corporations)
- Partnerships and Limited Partnerships (as indicated above)
- Limited Liability Companies
- Charitable and/or Religious organizations, or

The following individuals must be reported in Section 6A:

- All persons who have a 5 percent or greater ownership (direct or indirect) interest in the DMEPOS supplier.
- If (and only if) the DMEPOS supplier is a corporation (whether for-profit or non-profit), all officers and directors of the DMEPOS supplier.
- All managing employees of the DMEPOS supplier.
- All individuals with a partnership interest in the DMEPOS supplier, regardless of the percentage of ownership the partner has; and
- Authorized and delegated officials.

Example: A supplier is 100 percent owned by Company C, which itself is 100 percent owned by Individual D. Assume that Company C is reported in Section 5A as an owner of the supplier. Assume further that Individual D, as an indirect owner of the supplier, is reported in Section 6A1. Based on this example, the supplier would check the “5 Percent or Greater Direct/Indirect Owner” box in Section 6A2.

NOTE: All partners within a partnership must be reported in this application. This applies to both “General” and “Limited” partnerships. For instance, if a limited partnership has several limited partners and each of them only has a 1 percent interest in the DMEPOS supplier, each limited partner must be reported in this application, even though each owns less than 5 percent. The 5 percent threshold primarily applies to corporations and other organizations that are not partnerships.

For purposes of this application, the terms “officer,” “director,” and “managing employee” are defined as follows:

- The term “Officer” is defined as any person whose position is listed as being that of an officer in the DMEPOS supplier’s “articles of incorporation” or “corporate bylaws,” OR anyone who is appointed by the board of directors as an officer in accordance with the DMEPOS supplier’s corporate bylaws.
- The term “Director” is defined as a member of the DMEPOS supplier’s “board of directors.” It does not necessarily include a person who may have the word “Director” in his/her job title (e.g., Departmental Director, Director of Operations).
- The term “managing employee” means a general manager, business manager, administrator, director, or other individual who exercises operational or managerial control over, or who directly or indirectly conducts, the day-to-day operations of the DMEPOS supplier, either under contract or through some other arrangement, whether or not the individual is a W-2 employee of the DMEPOS supplier.

NOTE: If a governmental or tribal organization will be legally and financially responsible for Medicare payments received (per the instructions for Governmental/Tribal Organizations in Section 5), the supplier is only required to report its managing employees in Section 6. Owners, partners, officers, and directors do not need to be reported.

This section explains the penalties for deliberately furnishing false information in this application to gain or maintain enrollment in the Medicare program.

1. 18 U.S.C. § 1001 authorizes criminal penalties against an individual who, in any matter within the jurisdiction of any department or agency of the United States, knowingly and willfully falsifies, conceals or covers up by any trick, scheme or device a material fact, or makes any false, fictitious, or fraudulent statements or representations, or makes any false writing or document knowing the same to contain any false, fictitious or fraudulent statement or entry. Individual offenders are subject to fines of up to \$250,000 and imprisonment for up to five years. Offenders that are organizations are subject to fines of up to \$500,000 (18 U.S.C. § 3571). Section 3571(d) also authorizes fines of up to twice the gross gain derived by the offender if it is greater than the amount specifically authorized by the sentencing statute.
2. Section 1128B(a)(1) of the Social Security Act authorizes criminal penalties against any individual who, “knowingly and willfully,” makes or causes to be made any false statement or representation of a material fact in any application for any benefit or payment under a Federal health care program. The offender is subject to fines of up to \$25,000 and/or imprisonment for up to five years.
3. The Civil False Claims Act, 31 U.S.C. § 3729, imposes civil liability, in part, on any person who:
 - a) knowingly presents, or causes to be presented, to an officer or any employee of the United States Government a false or fraudulent claim for payment or approval;
 - b) knowingly makes, uses, or causes to be made or used, a false record or statement to get a false or fraudulent claim paid or approved by the Government; or
 - c) conspires to defraud the Government by getting a false or fraudulent claim allowed or paid.

The Act imposes a civil penalty of \$5,000 to \$10,000 per violation, plus three times the amount of damages sustained by the Government

4. Section 1128A(a)(1) of the Social Security Act imposes civil liability, in part, on any person (including an organization, agency or other entity) that knowingly presents or causes to be presented to an officer, employee, or agent of the United States, or of any department or agency thereof, or of any State agency... a claim... that the Secretary determines is for a medical or other item or service that the person knows or should know:
 - a) was not provided as claimed; and/or
 - b) the claim is false or fraudulent.

This provision authorizes a civil monetary penalty of up to \$10,000 for each item or service, an assessment of up to three times the amount claimed, and exclusion from participation in the Medicare program and State health care programs.

5. 18 U.S.C. 1035 authorizes criminal penalties against individuals in any matter involving a health care benefit program who knowingly and willfully falsifies, conceals or covers up by any trick, scheme, or device a material fact; or makes any materially false, fictitious, or fraudulent statements or representations, or makes or uses any materially false fictitious, or fraudulent statement or entry, in connection with the delivery of or payment for health care benefits, items or services. The individual shall be fined or imprisoned up to 5 years or both.

Individuals shall be fined or imprisoned up to 10 years or both. If the violation results in serious bodily injury, an individual will be fined or imprisoned up to 20 years, or both. If the violation results in death, the individual shall be fined or imprisoned for any term of years or for life, or both.

SECTION 15: CERTIFICATION STATEMENT

An **AUTHORIZED OFFICIAL** means an appointed official (for example, chief executive officer, chief financial officer, general partner, chairman of the board, or direct owner) to whom the organization has granted the legal authority to enroll it in the Medicare program, to make changes or updates to the organization's status in the Medicare program, and to commit the organization to fully abide by the statutes, regulations, and program instructions of the Medicare program.

A **DELEGATED OFFICIAL** means an individual who is delegated by an authorized official the authority to report changes and updates to the supplier's enrollment record. The delegated official must be an individual with "ownership or control interest in" (as that term is defined in Section 1124(a)(3) of the Social Security Act) or be a W-2 managing employee of the supplier.

Delegated officials may not delegate their authority to any other individual. Only an authorized official may delegate the authority to make changes and/or updates to the supplier's Medicare status. Even when delegated officials are reported in this application, an authorized official retains the authority to make any such changes and/or updates by providing his or her printed name, signature, and date of signature as required in Section 15B.

NOTE: Authorized officials and delegated officials **must** be reported in Section 6 either on this application or on a previous application to this same Medicare fee-for-service contractor. If this is the first time an authorized and/or delegated official has been reported on the CMS-855S, you must complete Section 6 for that individual.

By his/her signature, an authorized official binds the supplier to all of the requirements listed in the Certification Statement and acknowledges that the supplier may be denied entry to or revoked from the Medicare program if any requirements are not met. All signatures must be original and in ink. Faxed, photocopied, or stamped signatures will not be accepted.

During the reenrollment process, either an authorized official or delegated official can sign the certification statement.

By signing this application, an authorized official agrees to immediately notify the NSC if any information in this application is not true, correct, or complete. In addition, an authorized official, by his/her signature, agrees to notify the NSC of any future changes to the information contained in this application, after the supplier is enrolled in Medicare, within 30 days of the effective date of the change.

The supplier can have as many authorized officials as it wants. If the supplier has more than two authorized officials, it should copy and complete this section as needed.

Each authorized and delegated official must have and disclose his/her Social Security Number.

SECTION 15: CERTIFICATION STATEMENT (Continued)

A. ADDITIONAL REQUIREMENTS FOR MEDICARE ENROLLMENT

These are additional requirements that the supplier must meet and maintain to bill the Medicare program. Read these requirements carefully. By signing, the supplier is attesting to having read the requirements and understanding them.

By his/her signature(s), the authorized official(s) named below and the delegated official(s) named in Section 16 agree to adhere to the following requirements stated in this Certification Statement:

1. I agree to notify the NSC of any future changes to the information contained in this application within 30 days of the effective date of the change. I understand that any change in the business structure of this supplier may require the submission of a new application.
2. I have read and understand the Penalties for Falsifying Information, as printed in this application. I understand that any deliberate omission, misrepresentation, or falsification of any information contained in this application or contained in any communication supplying information to Medicare, or any deliberate alteration of any text on this application form, may be punished by criminal, civil, or administrative penalties including, but not limited to, the denial or revocation of Medicare identification number(s), and/or the imposition of fines, civil damages, and/or imprisonment.
3. I agree to abide by the Medicare laws, regulations and program instructions that apply to this supplier. The Medicare laws, regulations, and program instructions are available through the Medicare contractor. I understand that payment of a claim by Medicare is conditioned upon the claim and the underlying transaction complying with such laws, regulations, and program instructions (including, but not limited to, the Federal anti-kickback statute and the Stark law), and on the supplier's compliance with all applicable conditions of participation in Medicare.
4. Neither this supplier, nor any five percent or greater owner, partner, officer, director, managing employee, authorized official, or delegated official thereof is currently sanctioned, suspended, debarred, or excluded by the Medicare or State Health Care Program, e.g., Medicaid program, or any other Federal program, or is otherwise prohibited from supplying services to Medicare or other Federal program beneficiaries.
5. I agree that any existing or future overpayment made to the supplier by the Medicare program may be recouped by Medicare through the withholding of future payments.
6. I will not knowingly present or cause to be presented a false or fraudulent claim for payment by Medicare, and will not submit claims with deliberate ignorance or reckless disregard of their truth or falsity.
7. I authorize any national accrediting body whose standards are recognized by the Secretary as meeting the Medicare program participation requirements, to release to any authorized representative, employee, or agent of the Centers for Medicare & Medicaid Services (CMS) a copy of my most recent accreditation survey, together with any information related to the survey that CMS may require (including corrective action plans).

CMS MEDICARE DURABLE MEDICAL EQUIPMENT, PROSTHETICS, ORTHOTICS, AND SUPPLIES (DMEPOS) SUPPLIER STANDARDS

Note: This list is an abbreviated version of the application certification standards that every Medicare DMEPOS supplier must meet in order to obtain and retain their billing privileges. These standards, in their entirety, are listed in 42 C.F.R. pt. 424, sec 424.57(c) and were effective on December 11, 2000.

1. A supplier must be in compliance with all applicable Federal and State licensure and regulatory requirements.
2. A supplier must provide complete and accurate information on the DMEPOS supplier application. Any changes to this information must be reported to the National Supplier Clearinghouse within 30 days.
3. An authorized individual (one whose signature is binding) must sign the application for billing privileges.
4. A supplier must fill orders from its own inventory, or must contract with other companies for the purchase of items necessary to fill the order. A supplier may not contract with any entity that is currently excluded from the Medicare program, any State health care programs, or from any other Federal procurement or nonprocurement programs.
5. A supplier must advise beneficiaries that they may rent or purchase inexpensive or routinely purchased durable medical equipment, and of the purchase option for capped rental equipment.
6. A supplier must notify beneficiaries of warranty coverage and honor all warranties under applicable State law, and repair or replace free of charge Medicare-covered items that are under warranty.
7. A supplier must maintain a physical facility on an appropriate site.
8. A supplier must permit CMS or its agents to conduct on-site inspections to ascertain the supplier's compliance with these standards. The supplier location must be accessible to beneficiaries during reasonable business hours, and must maintain a visible sign and posted hours of operation.
9. A supplier must maintain a primary business telephone listed under the name of the business in a local directory or a toll free number available through directory assistance. The exclusive use of a beeper, answering machine, or cell phone is prohibited.
10. A supplier must have comprehensive liability insurance in the amount of at least \$300,000 that covers both the supplier's place of business and all customers and employees of the supplier. If the supplier manufactures its own items, this insurance must also cover product liability and completed operations. Failure to maintain required insurance at all times will result in revocation of the supplier's billing privileges retroactive to the date the insurance lapsed.
11. A supplier must agree not to initiate telephone contact with beneficiaries, with a few exceptions allowed. This standard prohibits suppliers from calling beneficiaries in order to solicit new business.
12. A supplier is responsible for delivery and must instruct beneficiaries on use of Medicare-covered items, and maintain proof of delivery.
13. A supplier must answer questions and respond to complaints of beneficiaries, and maintain documentation of such contacts.
14. A supplier must maintain and replace at no charge or repair directly, or through a service contract with another company, Medicare-covered items it has rented to beneficiaries.
15. A supplier must accept returns of substandard (less than full quality for the particular item) or unsuitable items (inappropriate for the beneficiary at the time it was fitted and rented or sold) from beneficiaries.
16. A supplier must disclose these supplier standards to each beneficiary to whom it supplies a Medicare-covered item.
17. A supplier must disclose to the government any person having ownership, financial, or control interest in the supplier.
18. A supplier must not convey or reassign a supplier number; i.e. the supplier may not sell or allow another entity to use its Medicare Supplier Billing Number.
19. A supplier must have a complaint resolution protocol established to address beneficiary complaints that relate to these standards. A record of these complaints must be maintained at the physical facility.
20. Complaint records must include: the name, address, telephone number and health insurance claim number of the beneficiary, a summary of the complaint, and any actions taken to resolve it.
21. A supplier must agree to furnish CMS any information required by the Medicare statute and implementing regulations.
