

Revisions to SPIA OMB Clearance Package

- Revised timeline in Supporting Statement to reflect current proposed timeframes for information collection.
- Revised Use of Information Technology section in Supporting Statement to reflect Internet-based data collection tool.
- Revised draft data collection instrument (Appendix B) to incorporate feedback and comments received from 60-day Federal Register Notice.
- Included a glossary of terms (Appendix C) based on comments received from 60-day Federal Register Notice. Renamed previous Appendices C and D to Appendices D and E.
