You have been selected to participate in this year's National Migratory Bird Harvest Survey. We only select a small percentage of the nation's hunters for this annual survey, so your response is important **EVEN IF YOU DO NOT HUNT MIGRATORY BIRDS THIS SEASON.**

We are asking you to tell us about your woodcock hunting in 6 ~ during the ———— hunting season. Please use the attached diary to record the details of your hunt each time you go woodcock hunting in 6 ~ . Please read the instructions on the diary form, fill it out **completely**, and, after the season is over or when you are done hunting in 6 ~ , send the completed form back to us in the enclosed postage-paid envelope. If you receive this survey too late for you to remember all of the details of your hunts, please fill out the lower portion of the form labeled **"SEASON TOTALS"**.

Your response is very important, whether you bag any birds or not. If you don't hunt woodcock at all this season, please mark the "Did not hunt" box on the form and return it to us. If you do hunt woodcock, please report **ONLY YOUR OWN PERSONAL HUNTING** activity and harvest. We also ask that you please keep track throughout the season of birds that you knocked down, but could not retrieve. Record this total number on the lower portion of the form labeled **"SEASON TOTALS"**.

To protect your privacy, we will not associate your name with your hunting records after the survey is completed. If you have any questions or need more information about this survey, please write us at the above address, call us toll-free at 1-800-419-2965 from 7:30am-4:00pm EST, or log-on to <http://hip.fws.gov>. Thank you in advance for your time and your participation in this year's National Migratory Bird Harvest Survey.

We will remove all names and identifying information when we compile the results, and will report only summary information. We maintain the information in accordance with the Privacy Act. Your response is voluntary. An agency may not conduct or sponsor and a person is not required to respond to an information collection unless it displays a currently valid OMB control number.
