SEMI-ANNUAL PROGRESS REPORT FOR

Training Grants to Stop Abuse and Sexual Assault Against Older Individuals or Individuals with Disabilities

Brief Instructions: This form must be completed for each Training Grants to Stop Abuse and Sexual Assault Against Older Individuals or Individuals with Disabilities (Training Grants Program) grant received. The grant administrator or coordinator must ensure that the form is completed fully with regard to all grant-funded activities. Grant partners, however, may complete sections relevant to their portion of the grant. Grant administrators and coordinators are responsible for compiling and submitting a single report that reflects all information collected from grant partners.

All grantees should read each section to determine which questions they must answer, based on the activities engaged in under this grant during the current reporting period. Sections B and D of this form must be completed by all grantees. In section A, subsection A1 must be completed by all grantees. In section C, subsections C1 and C2 must be completed by all grantees. In subsections A2 and C3, grantees must answer an initial question about whether they engaged in certain activites during the current reporting period. If the response is yes, then the grantee must complete that subsection. If the response is no, the rest of that subsection is skipped.

The activities of volunteers or interns may be reported if they are coordinated or supervised by Training Grants Program-funded staff or if Training Grants Program funds substantially support their activities.

For further information on filling out this form, refer to the separate set of instructions, which contains detailed definitions and examples, illustrating how questions should be answered.

8. Percentage of Training Grants Program funds directed to each statutory purpose

(Provide appropriate percentages to reflect the time and/or resources you have devoted to each of these areas during the current reporting period. The total of all the percentages should be 100%.)

Throughout this form, the term **sexual assault** includes both assaults committed by offenders who are strangers to the victim/survivor and assaults committed by offenders who are known to, related by blood or marriage to, or in a dating relationship with the victim. The term **domestic violence** applies to any pattern of coercive behavior that is used by one person to gain power and control over a current or former intimate partner. Domestic violence includes dating violence, which is violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. **Elder abuse** is the physical, sexual, emotional or financial abuse or neglect or abandonment of an older person by a family member, fiduciary agent, or caregiver.

Issue	Domestic violence	Sexual assault	Elder abuse, neglect and exploitation ²	Total
Violence against individuals who are older	%	%	%	%
Violence against individuals with disabilities ³	%	%	N/A	%
Total	%	%	%	%

Include here only abuse, neglect and exploitation by non-intimate partners and non-family members that is not already included under the preceding categories.

³ OVW recognizes that there are individuals who do not consider themselves to be "individuals with disabilities" and who do not identify with this designation. However, for the purposes of the Training Grants Program, "individuals with disabilities" refers to all individuals covered under the definition contained in the Americans with Disabilities Act (42 U.S.C. §12102(2)).
