We have removed the C3 Policies section

C5. Public Awareness

We have combined previous categories to create broader options:

- Community organizing/community events (rallies, speak outs, take back the night, vigils)
- Educational exhibits (clothesline project, silent witness, information tables)
- Media campaigns (press conferences, public service announcements, articles)
- Productions for public awareness (video series, theater productions)
- Other (specify): _____

F. NARRATIVE

Optional focused narrative questions

At the end of the most of the sections of the form there will be an optional narrative question that gives you the opportunity to provide additional information regarding that particular activity area. Following is an example from the training section:

Use the space below to discuss the effectiveness of your training activities and to provide any additional information you would like to share about your training activities beyond what you have provided in the data above. Examples might include a reduction in dual arrest rates following training provided on identifying the predominant aggressor; improved system response to victims with disabilities following a multidisciplinary training provided to advocates, law enforcement, and prosecution agencies on issues specific to victims with disabilities.

Optional data clarification question

A final question allows subgrantees to provide additional information to explain and clarify the data contained in the reporting form.
