SEMI-ANNUAL PROGRESS REPORT FOR

Grants to Support Tribal Domestic Violence and Sexual Assault Coalitions

Brief Instructions: This form must be completed for each Grant to Support Tribal Domestic Violence and Sexual Assault Coalition (Tribal Coalitions) grant received. The grant administrator or coordinator must ensure that the form is completed fully with regard to all grant activities. Throughout this form, Tribal Coalitions funds include the mandated 25% non-federal grant match.

All grantees should read through each section to determine which questions they must answer based on the activities engaged in under this grant during the current reporting period. Sections B, D and subsection A1 of this form must be completed by all grantees. In subsection A2 and section C, grantees must answer an initial question in each subsection about whether they engaged in certain activities during the current reporting period. If the response is yes, then the grantee must complete that subsection. If the response is no, the rest of that subsection is skipped.

For example, 1) if you only provided training and technical assistance with staff funded under this grant during the current reporting period, you would complete A1, A2, B, C1, C6, and D (and answer 'no' in C2-C5 and C7-C9); or, 2) if you provided training and technical assistance with staff funded under this grant and grant-funded staff developed products during the current reporting period, you would complete sections A, B, C1, C4, C6, and D (and answer 'no' in C2, C3, C5, C7-C9).

The activities of volunteers or interns may be reported if they are coordinated or supervised by Tribal Coalitions grant-funded staff or if Tribal Coalitions funds substantially support their activities.

For further information on filling out this form, refer to the separate set of instructions, which contains detailed definitions and examples, illustrating how questions should be answered.
