SEMI-ANNUAL PROGRESS REPORT FOR

Education and Technical Assistance Grants to End Violence Against Women with Disabilities

Brief Instructions: This form must be completed for each Education and Technical Assistance Grants to End Violence Against Women with Disabilities grant (Disability Education Grant) received. The grant administrator or coordinator must ensure that the form is completed fully with regard to all grant-funded activities. Grant partners, however, may complete sections relevant to their portion of the grant. Grant administrators or coordinators are responsible for compiling and submitting a single report that reflects all information collected from grant partners.

All grantees should read each section to determine which questions they must answer based on the activities supported under this grant during the current reporting period. Sections B and D and subsections A1 and C4 of this form must be completed by all grantees. In subsections A2, C1-C3, and C5-C6 grantees must answer an initial question about whether they engaged in the activities described in that subsection. If the response is yes, then the grantee must complete the rest of that subsection. If the response is no, the rest of that subsection is skipped.

The activities of volunteers or interns may be reported if they are coordinated or supervised by Disability Education Grant-funded staff or if Disability Education Grant funds substantially support their activities.

For further information on filling out this form, refer to the separate set of instructions, which contains detailed definitions and examples, illustrating how questions should be answered.
