OMB Control Number \_\_\_\_\_  
Expiration Date \_\_\_\_\_

Hello, this is \_\_\_\_ from PSA interviewing. We are working with the U.S. Treasury Department's Bureau of Engraving and Printing to better understand Americans' views about U.S. currency. The information will be used to encourage Americans to learn about new currency designs.

Before we begin, I want to assure you that the U.S. Office of Management and Budget has approved this research under the Paperwork Reduction Act, and the control number and expiration date, as well as additional information about this survey and its approval are available at your request. All of your answers are completely voluntary and your responses will be kept confidential. The survey is expected to take about 15 minutes.
