

Major Changes to the 2007 Form 1041, U.S. Income Tax Return for Estates and Trusts

The following changes have been made to the 2007 Form 1041.

Page 1

- We deleted the previous line G, page 1, concerning Pooled mortgage accounts, and replaced it with a request to “Check here if the estate or filing trust made a section 645 election” and a checkbox. This is part of the move of the “widely held investment trusts” off the Form 1041 and onto a Form 1099. See T.D. 9241, 2006-7 I.R.B. 427.
- We updated all the years throughout the document.
- We removed the language in line 24f allowing a credit for federal telephone excise tax paid, as the credit is no longer available. We also renumbered line 24g and 24h as 24f and 24g, and changed the total payments line from 24i to 24h.

Page 2

- We removed the abbreviation for distributable net income, DNI, on page 2, as the abbreviation is not used elsewhere on the form.

Page 4

- On line 64, we updated the maximum amount subject to the 5% rate in the Computation Using Maximum Capital Gains Rates. See Rev. Proc. 2006-53, 2006-48 I.R.B. 996.

Major Changes to the 2007 Instructions for Form 1041 and Schedules A, B, D, G, I, J, and K-1, U.S. Income Tax Return for Estates and Trusts

General Changes

- All years, filing dates, and cost-of-living references have been updated. Page references have been updated, but are subject to change pending changes in circulation and review.
- We removed the language in line 24f, and renumbered the remaining lines under line 24, concerning allowing a credit for federal telephone excise tax paid, as the credit is not allowed on the 2007 return.

Specific Changes

Page 1

- Under “What’s New,” we added notes that:
 - Farm rental income and expenses based on crops or livestock produced by a tenant go on line 5 and not on line 6 of Form 1041.
 - Charitable remainder trusts (CRT) under section 664 no longer have to file Forms 1041. Instead if the CRT has any unrelated business taxable income, they must file Form 4720, Return of Certain Excise Taxes Under Chapter 41 and 42 of the Internal Revenue Code. See Pub. L. 109-432, Tax Relief and Health Care Act of 2006, act section 424(a). (Implan Action #67.00202)
 - Electing small business trusts (ESBTs) can now deduct interest expense paid or accrued on indebtedness incurred to acquire stock in an S corporation. See Pub. L. 110-28, sec. 8236, IRC 641(c)(2)(C)(iv). (Implan Action #67.00008)
- Under “Reminders”, we added a note for widely held fixed investment trusts (WHFITs), reminding them to no longer file Forms 1041. In addition, we gave instructions on how to mark the Form 1041, if it was used.

Page 3

- We added “Revocable Living Trusts” to the definitions section under General Instructions. A tip was added that most individuals (grantors) with these trusts may be able to use Optional Method 1, and that method is generally the easiest method to use.

Page 8

- Under “Pooled Income Funds,” the last two paragraphs, including the note were modified to reflect that pooled income funds:
 - Must file a Form 5227, Split-Interest Trust Information Return, unless all amounts were transferred in trust before May 27, 1969 and no section 642(c) deductions were claimed, and
 - No longer need file Form 1041-A.

- The language under “Electronic Filing” was modified to reflect the new option to electronically sign a electronically filed Form 1041 by using Form 8879-F, IRS *e-file* Signature Authorization for 1041.

Page 11

- Replaced the Form 8264, Application for Registration of a Tax Shelter with Form 8918, Material Advisor Disclosure Statement. See Notice 2007-85, 2007-45 I.R.B. 1, <http://www.irs.gov/irs/article/0,,id=174844,00.html>.

Page 12

- The section, “Additional Information” was moved up to directly follow the section “Other Forms That May Be Required.” The section was also reformatted to promote clarity and ease of the reader’s use.

Page 14—15

- The last paragraph under “Special Filing Instructions for Bankruptcy Estates,” was modified to refer to Notice 2006-83, 2006-40 I.R.B. 596, which provides additional information on methods of allocating Form W-2 wages between a bankruptcy estate and the debtor.
- “Mortgage Pools” in the “Grantor Type Trust” section, was modified to note that for 2007 returns, certificate holders should receive Forms 1099 reflecting the individual’s share of interest income (and other items) from the mortgage pool and they should report this information on their individual tax returns. Certificate holders for mortgage pools for pre-2007 tax returns and WHFITs (not following Regulations section 1.671-5) will continue to be treated as the owner of an undivided interest in the entire trust. Those individuals must continue to report their proportionate share of the mortgage interest and other items of income on their individual tax return.

Page 15—16

- Under Nonexempt Charitable and Split-Interest Trusts, the sections “Other returns that must be filed” was modified:
 - To delete the requirement for split-interest trusts to file a Form 1041-A;
 - To require the fiduciary of all split-interest trusts to file a Form 5227, except for amounts transferred in trust before May 27, 1969, if the trust’ governing instrument requires that all of the trust’s income be distributed currently; and
 - To require section 664 charitable remainder trusts with any unrelated business taxable income to file a Form 4720 reporting the income and paying the tax due. See Pension Protection Act of 2006, ac section 1201(b) and P.L. 109-432, Tax Relief and Health Care Act of 2006, act section 424(a).
- Under G. Pooled Mortgage Account, the entire text was replaced with information concerning making an election under section 645. This is part of the removal of WHFITs from Form 1041 and onto a Form 1099. See T.D. 9241, 2006-7 I.R.B. 427. The section

645 replacement text was part of a 2003 agreement with counsel to implement T.D. 9032, I.R.B. 2003-7, 471.

- Under "Income," the paragraph concerning the extraterritorial income exclusion was modified to note that the exclusion is not available for transactions after 2006; however, income from certain long-term sales and leases may still qualify for the exclusion. (Implan Action #67.00626)

Page 36

- The Schedule D instructions were updated under “What’s New” and in the General Instructions. We noted that the Schedule D-1, Continuation Sheet for Schedule D was now available for reporting Schedule D gains and losses not otherwise reportable on Schedule D, due to space constrictions.

Page 39

Specifically, the filers should enter on line 6a, column (a) “DC Zone Asset” or “Qualified Community Asset” and in column (f) enter a loss for the amount of the allowable exclusion.

Page 43—44

- The Schedule D Tax Worksheet instructions were changed to provide that the worksheet should be used only if, in addition to the other requirements, line 14b, col. 2, 14c, col. 2, or Schedule D is more than zero, or both line 2b(1) of Form 1041 and line 4 g of Form 4952 are more than zero.
