Congress has approved new legislation which allows the Department of Veterans Affairs (VA) to offer an additional \$20,000 of Supplemental Service Disabled (RH) insurance to **totally disabled RH** policyholders. This new insurance is similar to the RH insurance you have today and may be added to your existing coverage. This Supplemental insurance **does not** provide for waiver of premiums due to total disability.

You may select from any of the nine plans of RH insurance. The premiums for the Supplemental RH insurance are determined by your age and plan of insurance you select. Rates are based on the standard RH premium rate schedules. The enclosed VA pamphlet (29-9) contains a description of the available plans and premium rates. To be eligible for this insurance you must be under 65 years of age and be totally disabled. If you meet these requirements and wish to apply, please complete this application and return it to: **Department of Veterans Affairs, Regional Office and Insurance Center - SRH, P.O. Box 7208, Philadelphia, PA 19101**. This application must be submitted before November 1, 1993, or before your 65th birthday whichever occurs first.

If you have any additional questions concerning your Government Life Insurance, just call our toll-free number, 1-(800)-669-8477.

Sincerely yours,
