

COMBINED FEDERAL CAMPAIGN

2007 Application Instructions for National/International Independent Organizations And Members of Federations

BACKGROUND

Enclosed is the model application for use by national/international independent organizations to apply to participate in the Combined Federal Campaign (CFC) and for use by federation members to submit to the federations to which they belong. The following instructions and form are intended to assist charitable organizations in applying for participation in the CFC. All aspects of the CFC, including eligibility for participation, are strictly governed by Federal regulation. Copies of current CFC regulations are available in PDF and Word formats on our website at www.opm.gov/cfc. Additional copies of the application can also be downloaded from the website. The Office of Personnel Management (OPM) encourages organizations to apply early.

The application deadline for independent organizations and federations seeking national eligibility is **5:00 p.m. Eastern Standard Time, Wednesday, January 31, 2007, but applications may be sent to OPM's Office of CFC Operations as early as Friday, December 1, 2006**. A timely application must be received by the deadline at the following address:

Office of Personnel Management
Office of CFC Operations
Room 5450
1900 E Street, NW
Washington, DC 20415

Federation members must submit their applications to the federation. Copies of these applications should not be sent to OPM.

All required documents and attachments must be complete and submitted before the application deadline. **Applicants whose applications do not**

contain required documents or who submit incomplete or out-of-date documents will not be permitted to correct their applications during the

appeals process. Organizations that apply for national/international eligibility and are found in-eligible have **only one** opportunity to appeal to the Director of OPM. The Director's decision is final for administrative purposes. Therefore, appellants should ensure that their appeals are complete and responsive to the actual reasons for the original denial decision.

OPM suggests that national/international organizations use the model application provided when applying to the CFC. Although not required, submission of this form will expedite the processing of individual applications. OPM will not accept applications with modifications to any of the certification statements.

In order to determine whether an organization may participate in the campaign, OPM may request evidence of corrective action regarding any prior violation of regulation or directive, sanction, or penalty, as appropriate. OPM will decide whether the organization has demonstrated, to OPM's satisfaction, that the organization has taken appropriate corrective action. Failure to demonstrate satisfactory corrective action or to respond to OPM's request for information within 10 business days of the date of the request may result in a determination that the organization will not be included in the Charity List.

**FAXES OR ELECTRONIC SUBMISSIONS
OF APPLICATIONS ARE NOT
ACCEPTED**

INSTRUCTIONS

For details regarding CFC eligibility requirements for national/international independent organizations and federation members, refer to CFC Guidance Memoranda on the CFC website at www.opm.gov/cfc.

Applicants must check the box next to each certification statement to demonstrate agreement to comply with the statement and to certify that it meets the requirement. Failure to provide a check mark for each of the statements will be considered as a refusal to certify and will result in the denial of the application.

Item 1

Check the one appropriate box. **Include Attachment A.** CFC eligibility requirements mandate that a national/international organization demonstrate that it provided services in at least 15 different states or one foreign country over the three year period immediately preceding the start of the campaign's application year. A schedule listing a detailed description of the services in each state (minimum 15) or foreign country (minimum 1), including the year of service, must be included with the application. The schedule must make a clear showing of national and/or international presence. Simply providing a list of states or countries where an organization conducts or provides real services, benefits or program activities is not sufficient. An organization must provide a detailed description of the services and activities it provided, and the year in which those services were provided, in each state or foreign country. The schedule must also include human health and welfare services that were provided in calendar year 2006 (see Certification #3).

This requirement cannot be met on the sole basis of services provided through an "800" telephone number or by disseminating information and publications via the U.S. Postal Service, the Internet, or a combination thereof. Broad descriptions of services and identical repetitive narratives will not be accepted at the

sole discretion of OPM if they do not allow OPM to adequately determine that real services were provided or to accurately determine the individuals or entities who benefited. Providing listings of affiliated groups does not sufficiently demonstrate provision of real services by the applicant. Location of residence of organization members or location of residence of visitors to a facility does not substantiate provision of services in the location of residence. However, organizations that issue student scholarships or fellowships must indicate the state in which the recipient resides, not the state of the school or place of fellowship. Mere dissemination of information does not demonstrate provision of real services.

While it is not expected that an organization maintain an office in each state or foreign country, a clear showing must be made of the actual services, benefits, assistance or activities provided in each state or foreign country. De minimis services, benefits, assistance, or other program activities in any state or foreign country will not be accepted as a basis for qualification as a national or international organization.

Item 2

Include as Attachment B a copy of the organization's most recent IRS determination letter. If the name of the applicant organization differs on the IRS determination letter, the IRS Form 990, or audited financial statements, documentation from the IRS or state government authorizing this name change must accompany the application.

Interim 501(c)(3) letters with expiration dates before December 31 of the year preceding the campaign year for which the organization is applying will be accepted only with proof of application to the IRS for permanent 501(c)(3) status.

National/international organizations that are part of an IRS group exemption must provide a copy of the IRS letter granting the group exemption, as well as the list of subordinates that are covered by the group exemption. The EIN on the applicant's Form 990 must match the EIN on the IRS determination letter.

Bona-fide chapters or affiliates of a national

organization that do not have an IRS determination letter for the local organization must provide a certification signed by either the Chief Executive Officer (CEO) or CEO equivalent of the national organization stating that the local charitable organization operates as a bona-fide chapter or affiliate in good standing of the national organization and it is covered by the national organization's 501(c)(3) tax-exemption. A copy of the national organization's 501(c)(3) letter must accompany the CEO's certification.

Private foundations and units of government are not eligible to participate in the CFC.

Each applicant's 501(c)(3) status will be verified with the IRS. Applicants whose current 501(c)(3) status cannot be confirmed by the IRS will be denied participation. OPM encourages organizations to request current letters from the IRS confirming the group's tax-exempt status. This request can be made by contacting the IRS at (877) 829-5500.

Item 3

Self-explanatory. Human health and welfare services provided in calendar year 2006 must be reflected in Attachment A.

Item 4

The certifying official must certify that the organization accounts for its funds on an accrual basis in accordance with Generally Accepted Accounting Principles and has an audit of its fiscal operations completed by an independent certified public accountant in accordance with Generally Accepted Auditing Standards (GAAS). No other basis of accounting is acceptable under GAAP. The cash basis, modified cash basis, modified accrual basis, and any other methods are not acceptable.

Include as Attachment C a copy of the organization's audited annual financial statements.

The audited financial statements and IRS Form 990 must be prepared using the accrual method of accounting and cover the same fiscal period that ended not more than 18 months prior to January 2007 (i.e. ending on or after June 30, 2005).

Item 5

Check the appropriate box. **Include as Attachment D a copy of the complete, signed IRS Form 990 for a period ended not more than 18 months prior to January 2007.** The IRS Form 990 must include a signature in the block marked "Signature of officer"; the preparer's signature alone is not sufficient.

A complete IRS Form 990 is required, including all supplemental statements and Schedule A, if applicable, to be eligible for the CFC. If the IRS does not require the organization to file the Form 990 it must complete and submit a pro forma IRS Form 990 page 1 and Part V only. IRS Forms 990EZ, 990PF, and comparable forms will not be accepted. However, smaller organizations that file Form 990EZ may submit it with page 1 and Part V of the Form 990 attached in lieu of a complete IRS Form 990.

The audited financial statements and IRS Form 990 must be prepared using the accrual method of accounting and cover the same fiscal period ended not more than 18 months prior to January 2007 (i.e. ending on or after June 30, 2005).

Item 6

Calculate and enter the organization's annual percentage for administrative and fundraising expenses. The percentage is computed from the IRS Form 990 by adding the amount reported as "management and general" (line 14) to "fundraising" (line 15) and then dividing the resulting total by "total revenue" (line 12). No other method may be used to calculate this percentage.

Item 11

Each federation and independent organization applying to participate in the CFC must, as a condition of participation, certify that it is in compliance with all statutes, Executive Orders,

and regulations restricting or prohibiting U.S. persons from engaging in transactions and dealings with countries, entities, and individuals subject to economic sanctions administered by the U.S. Department of the Treasury's Office of Foreign Assets Control (OFAC). The programs administered by OFAC restrict or prohibit U.S. persons from engaging in transactions and dealings with targeted countries, entities, and individuals. OFAC publishes a list of Specially Designated Nationals and Blocked Persons (SDN List). The persons on the SDN List are subject to economic sanctions. The SDN List and additional information relating to the economic sanctions programs that OFAC administers are available at <http://www.treas.gov/ofac>. A link to the SDN List is available on the CFC website (www.opm.gov/cfc). For further information, please see CFC Memo 2005-13.

IF THE ORGANIZATION IS ADMITTED

The organization will be given a Personal Identification Number and be directed to a secure website to register and verify the organization's information on file with OPM. All approved organizations, regardless of past participation, must register each year. During the registration process applicants will be asked to verify contact information on file with OPM and enter the 25-word statement that will appear in the CFC brochure.

In addition, the organization will be asked to identify up to three program categories, in priority order, which most closely identify the type of mission, services, and activities provided. The corresponding letters will be printed with your organization's listing in the CFC brochure to assist donors in identifying charities by type of service provided.
