#### Notes to the Financial Statements

Enter in the lines provided below any additional information on specific line items on the financial statements that the bank holding company wishes to explain that are material in amount and cannot be disclosed separately in the existing line items.

Each additional piece of information disclosed should include the appropriate reference to the financial statement and item number, as well as a description of the additional information and the dollar amount (in thousands of dollars) associated with that disclosure.

#### Example

A bank holding company nonbank subsidiary reports \$1 million in "All other assets." Of this amount, \$500,000 is related to accounts receivable. Enter on the line item below the following information:
