INSTRUCTIONS FOR COMPLETING THE ATTACHED BALLOT

1. Voting Period: _____ through _____.
2. Refer to the ballots for all industry positions and districts for the current nomination and election process.
3. Voter Eligibility: Only Producers, including duly authorized officers or employees of Producers, shall participate in the election of Producer members and alternate Producer members of the Committee. No Producer shall participate in the election of Committee members in more than one district. If a Producer commercially produces pistachios during the current production year in more than one district, the Producer must vote in the same district in which he or she participated in the nominations process previously conducted. However, if the Producer did not participate in the nominations process, he or she may select in which district he or she wishes to vote and shall indicate it on the ballot. In certifying your eligibility, please be mindful of the following definitions: **PRODUCER**: means any person engaged within the production area in a proprietary capacity in the production of pistachios for sale. **PROPRIETARY CAPACITY**: Proprietary capacity means the capacity or interest of a producer or handler that, either directly or through one or more intermediaries, is a property owner together with all the appurtenant rights of an owner including the right to vote the interest in that capacity as an individual, a shareholder, member of a cooperative, partner, trustee or in any other capacity with respect to any other business unit. Also, please be mindful that not more than two members and not more than two alternate members shall be persons employed or affiliated with producers or handlers that are affiliated with the same handler and/or producer. Additionally, only one member and one alternate member in any one district representing producers shall be employed by or affiliated with the same handler and/or producer. **AFFILIATION**: normally appears as "affiliate of", or "affiliated with", and means a person such as a producer or handler who is: a producer or handler that directly, or indirectly through one or more intermediaries, owns or controls, or is controlled by, or is under common control with the producer or handler specified; or a producer or handler that directly, or indirectly through one or more intermediaries, is connected in a proprietary capacity, or shares the ownership or control of the specified producer or handler with one or more other producers or handlers. As used in this part, the term "control" (including the terms "controlling", "controlled by", and "under the common control with") means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a handler or a producer, whether through voting securities, membership in a cooperative, by contract or otherwise.
4. The attached ballots list the nominees by district as well as the number of producer positions you are entitled to vote for. Vote for the candidate(s) of your choice in the appropriate space. If you would like to vote for a producer that has not been nominated, write in the candidate(s) name(s) of your choice in the appropriate space(s). The person receiving the highest number of votes shall be the member nominee for that district and the person receiving the second highest number of votes shall be the alternate member nominee. In case of a tie vote, the nominee shall be selected by a drawing.
5. In the spaces provided, print your name, the producer's name (if different) address, and telephone number.
6. Certify that you are eligible to cast this ballot by signing and dating the ballot.
7. The completed ballot must be postmarked no later than _____ 20__ to be valid. Submission of the ballot must be by mail delivery or hand delivery only.
8. The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program (Not all prohibited bases apply to all programs.)
