

ATTACHMENT I - IN-DEPTH INTERVIEW SCRIPT FOR PARTNERS

RECRUITING INTRODUCTION

(This will be used to schedule the actual interviews. If a participant would like to participate at the time of the initial call, FH/GMMB interviewers will move into the actual in-depth interview).

Hello! My name is _____ and I'm with Fleishman-Hillard, a communications firm, calling on behalf of the U.S. Department of Agriculture or USDA, the Food and Nutrition Service (FNS). How are you today?

May I speak with _____?

As you may already know, USDA has contracted with us to conduct telephone interviews with its program partners. Results from the interviews and other research will help rebrand USDA Commodities, increase stakeholders' awareness, and let stakeholders and the public know about the benefits of the program.

I'm calling to follow-up on a letter you should have received this week outlining the goals of the study and explaining that we'd be calling to schedule an interview with you as part of this effort. Does this sound familiar?

IF NO: The letter basically said that USDA has contracted with my company, Fleishman-Hillard, to explain the program and the many recent improvements it has made. Would you like me to send you a copy of this letter?

We'd like to schedule an interview with you sometime in the next few weeks at a time that is most convenient for you. The interview will last approximately 40 minutes. Your input will be invaluable. Your participation is strictly voluntary and there are no penalties for not participating. Would you be willing to participate?

IF NO: Thank you.

IF YES: Great! Is there a day and time that will work best for you?

RECORD DAY AND TIME.

Because we want to show you some creative concepts, we would like to e-mail you some information prior to the telephone interview. You will need to have a computer with Internet access at the time of the interview. May I have your e-mail address? *IF NECESSARY: We can send this information to you via regular U.S. mail in the event you do not have access to a computer. If you would prefer this, please provide your mailing address. We will not share or release it to anyone else except as required by law. We are treating all information related to this study as confidential.*

RECORD RESPONSE.

Great. We will give you a call on (DATE) _____ at (TIME) _____.

We will send a reminder e-mail prior to our scheduled time. Thank you for your time and willingness to help with this important project.

INTERVIEW INTRODUCTION TO THOSE WITH A SCHEDULED APPOINTMENT:

Hello! My name is ___ calling from Fleishman-Hillard regarding USDA Commodities. We talked a few days/weeks ago about conducting an interview at this time. Is now still a convenient time for you?

- IF NO: ARRANGE A NEW APPOINTMENT TIME AND ALSO CONFIRM RECEIPT OF MATERIALS: Before I hang up, I want to verify that you received the materials I sent to you via email (or regular U.S. mail). IF NOT RECEIVED, MAKE NOTE TO RESEND.
- IF YES: Before we begin, I want to verify that you received the materials I sent to you via e-mail (or regular U.S. mail). IF NOT RECEIVED, FIND OUT IF RESPONDENT IS AT HIS/HER COMPUTER AND CAN RECEIVE MATERIALS. IF NOT ABLE TO RECEIVE EMAIL AND DOESN'T HAVE MATERIALS, ARRANGE A NEW INTERVIEW TIME AND RESEND MATERIALS.

BEGIN INTERVIEW:

Let's get ready to start our interview. Once you have located the materials, let me know, but please do not open these until I ask you to do so.

I have a number of questions to ask you about different aspects of USDA Commodities and the National School Lunch Program. Please keep in mind that there are no right or wrong answers – any feedback or thoughts that come to mind during the interview are important to us and greatly appreciated.

Please know that your comments are strictly confidential and neither your name nor your organization's name will ever be linked to your responses.

I do need to read the Office of Management and Budget (OMB) burden statement to you.

READ OMB BURDEN STATEMENT: According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0584-0524. The time required to complete this information collection is estimated to take no more than 60 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Service, Office of Research and Analysis, 3101 Park Center Drive, Room 1014, Alexandria, VA 22302 (0584-0524).
