Subject: PUBLIC COMMENT ON FEDERAL REGISTER OF 9/12/07 VOL 72 #176 PG  
52155 DHS NIH

STUDY ON CARDIOVASCULAR HEALTH - THIS HAS BEEN STUDIED AND STUDIED AND STUDIED. WHAT NEW IS TO BE ACCOMPLISHED HERE - I SEE NOTHING NOTED IN THIS PROPOSAL SO I OPPOSE SPENDING TAX DOLLARS ON THIS PROJECT. IT SEEMS LIKE IT WILL JUST BE MORE PAPER SITTING IN JEAN OLSEN'S FILES.

IT DOES NOT SEEM LIKE PRODUCTIVE WORK. LET HER FIND OUT WHY ONE OUT OF 94 CHILDREN IN NJ IS BORN WITH AUTISM. THAT IS FRIGHTENING FOR OUR FUTURE.

THE PEOPLE WHO HAVE CARDIOVASCULAR PROBLEMS GENERALLY KNOW WHAT GOT THEM THOSE PROBLEMS. THEY KNOW IT. WHY DOESNT JEAN? WHAT NEW IS SHE STRIVING TO FIND. I SEE NOTHING LISTED HERE.
