New Assessment

Centers for Medicare & Medicaid Services, 7500 Security Boulevard Baltimore, MD 21244

This screen would show more information about patient than is shown in search results summary. It can be used to determine if this is the patient the clinician wishes to assess. A button is available to start an assessment for this patient. Clicking it can pre-populate available Patient Info in the assessment.

If other assessments exist for this patient, they will be listed and clickable to choose those assessments.

- Secondary navigation bar shows all main sections for assessment.
- Clickable breadcrumb provides another navigation option.
- Grey status bar remains for every screen of the assessment to show basic patient details, and overall status for the assessment including last update date. The photo is purely for decoration and will be randomly generated from a small image bank.
- Status for each section and subsection is shown. Section links will be expandable to show subsections (if any). Links take you to that section of the assessment.
