

Major Changes to 2007 Instructions for Form 1066, U.S. Real Estate Mortgage Income Tax Return Conduit (REMIC)

- On page 2, under Where To File, first paragraph, we added “Department of the Treasury” to the address in accordance to the requirements of Post Office address scanning machines.
- On page 3, under Form 8811, second paragraph, the text is revised to reflect Publication 938 is only available online.
- On page 5, under (Former) Section II – Tax and Payments, we deleted due to the expiration of the credit for federal telephone excise tax paid.
- On page 4, under "Name, address, and EIN," we added a bullet referencing the availability of the online application for an EIN. This is consistent with change made to Form SS-4. The "Caution" restricting the online application has also been deleted.
