### Definitions

**Mass submitter.** As set forth in Rev. Proc. 2005-16, 2005-10 I.R.B. 674, any entity that submits applications on behalf of at least 30 unaffiliated sponsors or practitioners each of which is sponsoring, on a word-for-word identical basis, the same basic plan document and one or more of the adoption agreements associated with that basic plan document. For a mass submitter of an M&P, once the mass submitter has submitted applications on behalf of 30 unaffiliated sponsors with respect to any basic plan document, it will be treated as a mass submitter with respect to all the other basic plan documents and associated adoption agreements for which it requests opinion letters, regardless of the number of identical adopters of such other plans.

A mass submitter of a VS will be treated as such with respect to each specimen plan for which the 30 unaffiliated practitioner requirement is met.

Notwithstanding the above, any entity that received a favorable TRA '86 opinion letter for a plan as an M&P mass submitter under Rev. Proc. 89-9, 1989-1 C.B. 780, will continue to be treated as a mass submitter if it submits applications on behalf of at least 10 sponsors (regardless of affiliation) each of which is sponsoring, on a word-for-word identical basis, the same basic plan document and one or more of the adoption agreements associated with that basic plan document. Once the mass submitter has submitted applications on behalf of 10 sponsors with respect to any basic plan document, it will be treated as a mass submitter with respect to all the other basic plan documents and associated adoption agreements for which it requests opinion letters, regardless of the number of identical adopters of such other plans.

**Sponsor.** Any person that has an established place of business in the United States where it is accessible during every business day and represents to the Service that it has at least 30 employer-clients each of which is reasonably expected to adopt the sponsor's basic plan document and one or more of the adoption agreements associated with that basic plan document. Once a person represents to the Service that at least 30 employers are reasonably expected to adopt its basic plan document, it will be treated as a sponsor with respect to all the basic plan documents and associated adoption agreements for which it requests opinion letters, regardless of the number of employers that are expected to adopt such other plans.

Notwithstanding the above, any person that has an established place of business in the United States where it is accessible during every business day and is a word-for-word identical adopter or minor modifier adopter of an M&P plan of a mass submitter will be treated as a sponsor with respect to such plan, regardless of the number of employers that are expected to adopt such plan.

**Practitioner.** Any person that has an established place of business in the United States where it is accessible during every business day and represents to the Service that it has at least 30 employer-clients each of which is reasonably expected to adopt a plan that is substantially similar to the VS practitioner's specimen plan.

The required number of employer-clients is reduced to 10 for a money purchase pension specimen plan in the case of a VS practitioner that has specimen plans for two or more separate categories of plans (profit sharing, money purchase, target benefit, defined benefit), one of which is a money purchase plan, and the 30 employer-clients requirement has been satisfied with respect to the other specimen plan.

A VS practitioner may submit any number of specimen plans for advisory letters provided that the 30 employer-clients requirement (or 10, if applicable) is separately satisfied with respect to each specimen plan. Notwithstanding the above, any person that has an established place of business in the United States where it is accessible during every business day may sponsor a specimen plan as a word-for-word identical adopter of a specimen plan of a VS mass submitter, regardless of the number of employers that are expected to adopt the plan.

A VS practitioner is also a practitioner that has either (a) 30 or more adopting employers in each of 30 or more states or (b) 3000 or more adopting employers. The determination as to whether there are 3000 or more adopting employers or 30 or more adopting employers in each of 30 or more states may be made on any one date during the 12 month period ending on April 18, 2005. For this purpose, an adopting employer is any employer that has adopted any plan of the practitioner that has a GUST advisory letter.

**Specific Instructions**

**Line 2a.** Enter the name and address of the plan sponsor or practitioner. If the Post Office does not deliver mail to the street address and the sponsor has a P.O. box number, show the box number instead of the street address.

**Line 3a.** The person to contact must be an employee or an authorized representative of the mass submitter. If the person to be contacted is other than an employee of the applicant, please enclose an authorized power of attorney. See *Disclosure requested by taxpayer.*

**Line 4a.** Enter the two-digit basic plan document number you have assigned to the basic plan document that accompanies (if applicable) the adoption agreement for which you are requesting approval. All basic plan documents from one sponsor or practitioner that are the same (word-for-word) should use the same two-digit number on all applications. The first basic plan document submitted should be numbered "01," the second, "02," etc.

**Line 4b.** Enter the three-digit number you have assigned to the adoption agreement, if applicable, for which this application is submitted. In the case of an M&P submission, each different adoption agreement designed to accompany a single basic plan document should be given a different three-digit number beginning with "001." Adoption agreements submitted with the second or any subsequent basic plan documents (that are not word-for-word identical to a previously submitted basic plan document) should be similarly numbered beginning with "001."

**Line 5.** In the case of an M&P sponsor adopting a word-for-word identical plan (including a flexible plan) to a plan of the M&P mass submitter, or a VS practitioner adopting a word-for-word identical plan of a VS mass submitter, a copy of the plan does not have to be submitted. With respect to the sponsor of an M&P plan of a mass submitter, if the plan is a minor modification, the M&P mass submitter should submit Form 4461-B, typed as a "placeholder." When the lead plan is approved, submit a copy of the mass submitter plan with the minor modifications underlined in red, or otherwise highlighted, as well as a statement indicating the location and effect of each change.

**Line 7.** If this application is based on an application submitted by a mass submitter and simultaneously filed with the mass submitter's application or filed before the information under line 7 is available, enter in the brackets designated for the file folder number the plan document number and the plan number of the mass submitter's plan on which this plan is based. Do not complete the rest of line 7.
