

IRS Nationwide Tax Forum Seminar Companion Product Evaluation Survey

In the past, the IRS provided a product called the **Seminar Handbook** to each participant at the annual IRS Nationwide Tax Forums. This book contained descriptions of each seminar, copies of the PowerPoint slides, and the schedule. This year, you have received a new product, called the **Seminar Companion**. It contains much of the same information from the handbook – seminar descriptions, schedule, Forum information – plus a notepad. Each participant also receives a CD of the PowerPoint slides, rather than the paper copies provided in the past.

Depending on your feedback, the IRS may permanently discontinue the Seminar Handbook and provide the Seminar Companion in its place. At the conclusion of this Tax Forum, please complete the survey questions below and let us know what your opinion of the Seminar Companion.
