Filling Out a FAFSA - 2006/2007

To allow access to your secure FAFSA data, we need you to provide the information below. This information must match the personal information you provided in obtaining your PIN. Your PIN serves as your electronic signature and provides access to your application data.

You cannot change your Social Security Number (SSN) using this form. If your SSN is incorrect, you will have to begin a new application.

Create a password so that you can retrieve your information if you do not finish your application in one session. Don't forget the password – our Customer Service does not retain your password.

NOTE: Without any interaction, your session will expire in 30 minutes. If your session does expire, we will save all of the information you entered. You can restore the saved information by choosing Continue Working on a Saved FAFSA on the home page.

Complete the following questions and select Next.

The student's Social Security Number:
Please enter this number without the dashes. For example, 123456789.

The student's full last name:

The student's first name:

The student's Date of Birth:
Please enter this date in "mmddyyyy" format. For example, 08171975 for August 17, 1975.

Create a Password (4 to 8 characters; differentiate between capital and lower case letters):
If you forget your password, you cannot retrieve the application you saved! Neither Customer Service nor the U.S. Department of Education has a record of your password.

Re-enter the Password:
